The University

History

A desire to educate their children led the founders of Northwest Nazarene University (NNU), under the leadership of Eugene Emerson, to organize an elementary school in 1913. In the ensuing two years, both high school and college courses were added to the curriculum. Thus began NNU, now an accredited Christian comprehensive university of the arts, humanities, sciences, and professions.

In 1915, the first student graduated from high school, and a year later, Dr. H. Orton Wiley was elected president. The first college degrees were conferred upon a class of four graduates in 1917.

Academic progress has been notable, including accreditation as a junior college in 1930 and as a four-year college in 1937. Master's programs were added in the early 1970's, and the first doctoral program was offered in 2011. The institution transitioned from Northwest Nazarene College to Northwest Nazarene University in 1999.

NNU offers a diverse portfolio of academic programs at the associate, bachelor's, master's, education specialist, and doctoral levels. In addition to attending programs in person and/or online, NNU provides opportunities for students to engage in study abroad experiences around the world. NNU serves approximately 1,000 undergraduate students, 600 graduate students, 8,500 concurrent credit high school students, and over 8,000 continuing education students each year.

Campus

Northwest Nazarene University's main campus is located in Nampa, Idaho, which is in the Boise metropolitan area. Situated in the Treasure Valley, NNU's location provides many rural and urban advantages, including a 2,500-foot altitude that provides a mild year-round climate. People are discovering and enjoying Idaho, the Gem State, with its easily accessible skiing, hiking, hunting, and fishing areas. The 90-acre campus, with its 31 buildings, has been carefully planned for maximum use and development. In addition to offering courses at the main campus, NNU also offers graduate courses in Idaho Falls, Idaho, and Twin Falls, Idaho. NNU also offers a variety of undergraduate and graduate programs in online formats that reach around the globe.

Students

NNU serves students from all over the United States and many foreign countries. Students from all denominations and faith traditions are welcome to study at NNU. The University especially invites applications from international students and members of racial and ethnic minorities.

Accreditations

NNU has a long and distinguished history as an accredited institution, having first been accredited by the Northwest Commission on Colleges and Universities ([NWCCU](#)), an accrediting body recognized by the U.S. Department of Education and the Council for Higher Education Accreditation (CHEA). NNU was accredited as a junior college in 1930, and subsequently as a four-year college in 1937. NNU has maintained its institutional accreditation with the NWCCU since that time.

In addition to institutional accreditation, the following eCampus programs are accredited by nationally recognized specialized accrediting boards:

- **Social Work** - NNU's accelerated bachelor's degree is nationally accredited by the Council on Social Work Education (CSWE).

Mission, Vision, and Values

Mission

The mission of Northwest Nazarene University is the transformation of the whole person. Centered in Jesus Christ, the NNU education instills habits of heart, soul, mind and strength to enable each student to become God's creative and redemptive agent in the world.

Context for Mission

Founded in 1913, NNU is a Christian university of the liberal arts, professional programs, and graduate studies. The University is grounded in the Wesleyan-Arminian tradition and is in partnership with the Church of the Nazarene, which emphasizes the biblical doctrines of perfect love and Christian holiness.

Vision

Northwest Nazarene University strives to be a vibrant educational community that integrates and reflects Christian faith in all that it does. The University seeks to provide nationally-recognized programs distinguished by graduates who are academically prepared, spiritually grounded, service-minded, globally engaged, and vocationally successful.

Values

Transformation

We believe education fosters transformation. NNU engages and affects all domains of life: intellectual, social, physical and spiritual; thereby advancing the transformation of the individual, the church and the world.

Truth

We believe education pursues truth. NNU explores knowledge, the wonder of God's creative activity, the story of human civilization and the achievements in the arts, sciences and professions. Ultimately, we believe Jesus is the truth incarnate; therefore, we pursue Christ.

Community

We believe education flourishes in community. NNU provides a learning and faith community that teaches, challenges and encourages each other through intellectual and spiritual practices. Within covenantal relationships we express our love for God and others.

Service

We believe education cultivates service. NNU teaches the importance of a life of servanthood as modeled by Jesus Christ. We learn to lead by giving of ourselves to God and humankind.

Approved by the Board of Trustees

March 2010, October 2017

Statement of Belief

Northwest Nazarene University, theologically, emphasizes the theistic view of God and human beings as interpreted in the Wesleyan-Arminian tradition. We believe the following brief statements to be sufficient.

We believe:

- In one God--the Father, Son, and Holy Spirit.
- The Old and New Testament Scriptures, given by plenary inspiration, contain all truth necessary to faith and Christian living.

- Human beings are born with a fallen nature, and are, therefore, inclined to evil, and that continually.
- The finally impenitent are hopelessly and eternally lost.
- The atonement through Jesus Christ is for the whole human race, and that whosoever repents and believes on the Lord Jesus Christ is justified and regenerated and saved from the dominion of sin.
- That believers are to be sanctified wholly, subsequent to regeneration, through faith in the Lord Jesus Christ.
- The Holy Spirit bears witness to the new birth, and also to the entire sanctification of believers.
- Our Lord will return, the dead will be raised, and the final judgment will take place.

(Adapted from the Church of the Nazarene *Manual* 2023)

Notice of Non-Discrimination

In accordance with applicable federal and state laws, such as Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, the Age Discrimination in Employment Act, and the Americans with Disabilities Act and ADA Amendments, the University does not unlawfully discriminate on the basis of sex, race, color, national origin, age, disability, marital status, genetic information, veteran status, or any other protected status under federal, state or local law applicable to the University, in its education programs and activities, in employment policies and practices, and all other areas of the University. As a faith-based institution, the University is exempted from certain laws and regulations concerning discrimination. The University maintains the right, with regard to its lifestyle covenant, employment, and other matters, to uphold and apply its religious beliefs related to, among other issues, marriage, sex (gender), gender identity, sexual orientation, and sexual activity.

The University will not tolerate discrimination, discriminatory harassment, or retaliation in any form. The University will promptly and equitably respond to all reports of discrimination, discriminatory harassment, and retaliation in order to take steps to eliminate the misconduct, prevent its recurrence, and address its effects on any individual or the community.

Inquiries or complaints about discrimination, discriminatory harassment, and retaliation may be directed to the University's Title IX Coordinator:

Professional Licensure Disclosures

Professional Licensure Within Idaho State

NNU offers several academic programs that lead to professional licensure within Idaho State. All of NNU's professional licensure academic programs have been designed to meet or exceed the educational program expectations for professional licensure in the state of Idaho. Most are recognized as meeting the high standards for accreditation by national accreditors.

However, individual states vary in what professions they require to be licensed and how that licensure or certification is acquired. Some states accept graduation from a nationally accredited program, and some may require specific additional coursework, state examinations, licensing fees, residence requirements, additional fieldwork or other additional expectations prior to issuing a professional license. Therefore, students are advised that the completion of an NNU academic program leading to licensure or certification in the state of Idaho, and the satisfaction of any additional Idaho licensure/certification requirements, will not always guarantee receipt of licensure or certification in another state.

Professional Licensure Outside of Idaho

- If your goal is to seek licensure or certification outside the State of Idaho, you are strongly encouraged, before enrolling in the program, to review the academic program requirements and licensure/certification requirements of the state in which you intend to receive a state license or certification.
- We recommend that you contact the relevant state licensing agency to receive the most current guidance about licensure and certification requirements in that state, as requirements for licensure or certification can change at any time, and we strongly suggest ongoing reviews of those requirements during your program to help ensure that changes will not impact your licensure plans.
- Please note that state licensing agencies have the ultimate responsibility for determining whether the requirements for professional licensure in that state have been satisfied, and those decisions will be made based on the rules and regulations in force at the time the application is reviewed.

Professional License Disclosure by Program

To help you better understand the requirements for licensure in other states, you may want to contact the program director or the chair of the academic program in which you intend to enroll.

The programs listed below all lead to some type of professional license. Click on any link in the list and it will take you to a Professional License Disclosure table each degree program:

- [Bachelors of Arts in Social Work](#)

Student Grievance Process

Northwest Nazarene University is committed to resolving student concerns and complaints in a fair and expedited manner. Students who have a complaint are asked to follow the [Student Grievance Process](#). Often these issues can be resolved by contacting the course faculty member.

If a student is not satisfied with the outcome of the institutional grievance process, the student may appeal to the [Office of the State Board of Education](#). If the complaint involves a claim of a deceptive or unfair business practice, please contact the [Office of the Idaho Attorney General](#). SARA students may file an appeal with either the institution's home state or the student's home state. For a complete listing of state contacts, please see the [NC-SARA website](#).

Admissions

General Admission Requirements

Application for admission to programs within NNU eCampus is made through the online application available on the [NNU Admissions website](#). The GPS Admissions office receives and processes all applications for admission, and assists applicants with program specific admission requirements. Application materials needed for admission may include, but are not limited to the following:

1. A completed application
2. Official transcripts
3. Program-specific admission requirements

Transcripts from international colleges or universities must be evaluated by a member of the National Association of Credential Evaluations Services (www.naces.org).

Northwest Nazarene University maintains a policy of equal educational opportunity for all students without regard to sex, race, color, religion, national or ethnic origin, age, or physical and documented learning disabilities, in administration of its educational and admissions policies, financial affairs, employment programs, student life, and services, or any other university-administered programs.

Undergraduate Admission Requirements

Individuals interested in applying for admission to one of NNU's eCampus accelerated online undergraduate programs should complete the application for admission and provide all supporting documents necessary for the admissions office to make an admissions decision. Acceptance will be determined by, among other things, high school and/or college grade point average.

All applicants are required to submit the following items for review:

- Online application, found on the [NNU Admissions Website](#)
- Arrange for an official high school transcript to be sent to NNU Admissions from students transferring less than 16 college credits. If you have completed the GED in lieu of high school, submit the test results.
- ALL official transcripts from all colleges and universities previously attended (regardless of accreditation).

The Graduate and Professional Studies Admissions office reviews all applications to ensure these criteria are met and admission is in the best interest of the student and Northwest Nazarene University.

Candidates without any prior college or university credits are considered first-time freshmen and will be considered for standard admission with a high school grade point average of no less than 2.5. Those candidates who have taken college classes for credit after high school will be considered for standard admission as a transfer student and must have a cumulative grade point average of no less than a 2.0.

Persons who do not meet the requirements for standard admission will be considered for provisional admission. Provisional admission is normally granted for one semester and will be reviewed at the end of the student's first semester of enrollment. Students admitted on Provisional Status will be placed in a support plan that is designed to help the student strengthen skills needed for success in college academics. A 2.0 (C) average must be earned in order to continue in good academic standing. If a student fails to meet these standards, academic probation or dismissal is considered.

International Students

In addition to submitting a high school transcript and proof of financial support, students from countries outside the United States for whom English is not their native language are required to meet one of the following criteria in order to be considered for admission to the University:

1. A score of 95 or higher on the DuoLingo examination.
2. A score of 79 or higher on the TOEFL examination.
3. A score of 6.0 or higher on the IELTS examination.
4. A score of 55 or higher on the PTE Academic examination

An interview *may* be conducted to evaluate the student's ability to communicate effectively.

Financial Aid

To receive federal assistance, students must be accepted to an undergraduate program at NNU and have submitted the Free Application for Federal Student Aid (FAFSA). Continuing students must complete the FAFSA each year in order to continue to receive federal financial aid. NNU's Federal School Code is 001624.

Students may be eligible for certain educational loans and a limited number of grant programs. NNU eCampus students are not eligible for church matching grants. For specific information on available aid, consult the [Office of Financial Aid](#) at 208-467-8638, 1-877-NNU-4YOU (1-877-668-4968) or financialaid@nnu.edu.

Payment of Financial Aid

Financial aid awards from all programs will be posted to student accounts to pay tuition and fees after eligibility and enrollment requirements have been met. Students receive one-third of the academic year's total award each semester (fall/spring/summer), or it is disbursed equally between the semesters in which the student is enrolled. If a student is only enrolled for one or two semesters, other regulations may apply.

Requirements for Financial Aid

To receive any financial assistance, students must meet the following requirements:

- Be admitted to NNU as a degree-seeking student.
- Be a U.S. citizen or an eligible non-citizen.
- Be enrolled for 6 or more credits for most federal programs. Audited courses, some repeated courses, and credit by examination credits cannot be counted.
- Demonstrate [satisfactory academic progress](#) toward a degree according to NNU policy.
- Have a valid social security number.
- Register with Selective Service, if required to do so.
- Not be in default on any federal student loans, nor have borrowed in excess of loan limits, nor owe a refund on any grant under Title IV Federal Student Aid programs.
- Not be ineligible based on a drug conviction occurring while receiving financial aid.

If you do not have a high school diploma or GED, you cannot be considered for financial aid.

Restriction

A student cannot receive aid in excess of the maximum annual cost of attendance set by the Office of Financial Aid. In certain cases where the maximum cost of attendance is exceeded, the Office of Financial Aid will reduce aid until the total aid amount is equal to or below the cost of attendance.

Students' Rights and Responsibilities

As recipients of federal student aid, students have certain rights and responsibilities. NNU believes that knowing these rights and responsibilities will put students in a better decision-making position to achieve their educational goals.

Student Rights

All students have the right to know:

- The cost of attending a particular school and what the school's policy is on refunds to students who withdraw.
- What financial assistance is available including information on all federal and state financial aid programs.
- The school's financial aid personnel, where their office is located, and how to contact them for information.
- The procedure and deadlines for submitting applications for each available financial aid program.
- How the school selects financial aid recipients.
- How the school determines financial need.
- How much of their financial need, as determined by the school, has been met.
- How and when financial aid will be received.
- The interest rate on federal student loans, the total amount that must be repaid, length of the repayment period, when the payment begins, and what cancellation or deferment provisions apply.
- If students are offered a Federal College Work-Study job, what kind of job it is, what hours they must work, what their duties will be, what the rate of pay will be, and how and when they will be paid. (Undergraduate students only)
- The school's policy in reconsidering a student's aid package if he or she believes a mistake has been made, or if his or her enrollment or financial circumstances have changed.
- How the school determines whether students are making [satisfactory academic progress](#) and what happens if they are not.

Student Responsibilities

All students must:

- Pay special attention to the Free Application for Federal Student Aid (FAFSA), complete it accurately, and submit it on time to the processor. Errors may delay or prevent a student from receiving aid.
- Know and comply with all deadlines for applying or re-applying for aid.
- Provide all documentation, corrections, and/or new information requested by the Office of Financial Aid.
- Notify the University of any information that has changed since applying for financial aid.
- Read, understand, and keep copies of signed documents.
- Repay any student loans. When a promissory note is signed, it is an agreement to repay the loan.
- Complete [Entrance Counseling](#) (incoming students) and [Exit Counseling](#) (outgoing students) online if the student has a Federal Perkins Loan or Federal Direct Student Loan.
- Notify the University of a change in name, address, or attendance status. If a student has a Federal Direct Student Loan, he or she must notify the loan service provider of these changes.

Withdrawing from Courses

If a student withdraws from all courses during a semester, regardless of the reason, federal regulations require Northwest Nazarene University (NNU) to determine the amount of Title IV Federal aid the student has earned. The Title IV aid programs that are covered by this law are: Federal Pell Grants, Direct Loans (both subsidized and unsubsidized), Direct PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), TEACH Grants, and Iraq and Afghanistan Service Grants.

Though a student's aid is posted to their account at the start of each semester, funds are earned as the student completes the semester. If a student withdraws during their expected term of enrollment and has not completed more than 60% of their expected enrollment period, the amount of Title IV aid that the student has earned up to that point will be determined by a specific formula. If the student received more assistance than has been earned at the time of withdrawal, the excess funds must be returned by the school and/or by the student to the federal government. This is referred to as a Return to Title IV (R2T4).

Federal regulations require a recalculation of financial aid eligibility if a student:

- Officially withdraws from all courses for the semester;
- Stops attending before the semester ends without officially withdrawing;
- Fails all classes and/or;
- Does not complete all the sessions for which they were originally registered for in a period of enrollment.

Students who do not begin attendance in classes are not eligible for federal financial aid and must repay any federal assistance originally received.

The R2T4 calculation may result in the student and/or parents being responsible for directly returning additional loan amounts to the U.S. Department of Education.

Any amount of unearned grant funds that must be returned is called an overpayment. The maximum amount of a grant overpayment that must be repaid is half of the grant funds received or scheduled to be received. Grant overpayments of \$50 or less do not need to be repaid. Arrangements can be made through NNU or the U.S. Department of Education to return the unearned grant funds.

Determining the Amount of Federal Aid Earned

Students earn the Title IV Federal aid they originally received by remaining enrolled in and participating in all classes for which they are registered. Participation may be through physical attendance or active participation such as submission of homework or participation in course discussions for online courses.

The amount of federal aid that has been earned is determined on a pro rata basis. For example, if 30% of the period of enrollment has been completed prior to withdrawal, the student has earned 30% of his or her aid, but has not earned the remaining 70%. Return of Title IV funds are based on this 70% unearned percentage.

Once a student has attended 60% of the semester for which he or she is registered, the student is considered to have earned all of the financial aid originally awarded and will not be required to return any funds.

If the student received (or the student's parent received on their behalf) excess Title IV program funds that must be returned, NNU must return an amount equal to the lesser of:

- the student's institutional charges multiplied by the unearned percentage, or
- the student's Title IV program assistance multiplied by the unearned percentage.

For Students Enrolled in Modules

A student is considered withdrawn if the student does not complete all of the days in each session that the student was originally scheduled to complete. NNU tracks enrollment in each session that does not span the entire fall, spring, or summer semester and combines the sessions to determine the students' expected period of enrollment.

NNU determines if a student enrolled in a series of modules is a withdrawal and subject to recalculation of federal financial aid eligibility based on the following questions:

- After beginning attendance in the period of enrollment did the student cease to attend or fail to begin attendance in a course he or she was scheduled to attend? If the answer is *no*, this is not a withdrawal.

If the answer is *yes*, then:

- Was the student still attending any other courses when the student ceased to attend or failed to begin attendance in a course? If the answer is *yes*, this is not a withdrawal.

If the answer is *no*, then:

- After ceasing to attend or failing to begin attendance in a course did the student confirm with NNU that they will be attending a course in a session beginning later in the enrollment period? If the answer is *yes*, this is not a withdrawal.
- If the answer is *no*, this is a withdrawal and the R2T4 calculation will be performed.

Refund for Students Who Withdraw from Courses

All students withdrawing from NNU must complete the "Request for Withdrawal from School" form available from your Pathway Coordinator. All withdrawals are subject to a \$100 withdrawal fee, if the withdrawal occurs after the add/drop date of the semester.

Students who withdraw from NNU prior to a course start date will receive a 100% refund of tuition and fees charged for that course. Students who withdraw after a course begins shall receive a prorated refund of tuition. No refund of student fee or course fees will be allowed after the last day to drop courses for the semester. Students are not eligible for a refund of any charges after 60% of semester. The withdrawal date is defined as the earlier of: (1) the date that the student began the withdrawal process or officially notified NNU of intent to withdraw, or (2) the last day of documented "academic-related activity" for those students who leave school without notifying an appropriate NNU official. The official date of withdrawal is determined by the Office of the Registrar.

Refund Distribution

Federal student financial aid is awarded under the assumption that the student will be enrolled for a specified period of time, such as a semester. Therefore, any time a student withdraws from any course at NNU and does not certify his or her intent to return in another session, in writing, before the end of the semester, NNU must evaluate the student's federal aid and determine if an adjustment is required.

Students may be required to repay the federal government a percentage of their aid. This could leave the student with a balance due to NNU.

When a refund to federal programs is required, the refund distribution will be as follows:

1. Unsubsidized Federal Direct Loan

2. Subsidized Federal Direct Loan
3. Other Title IV aid programs
4. Other Federal Sources of Aid
5. Other State, Private or Institutional Aid
6. Other Third Party
7. The student

Refunds to NNU's institutional aid programs are based on the tuition and fees withdrawal rate; e.g., if one-half tuition and fees are refunded, one-half of any institutional aid will be refunded to institutional programs.

Undergraduate Financial Aid

Federal Grants

The United States Government, through the Department of Education, has made funds available for several federal grant programs.

- **Federal Pell Grant:** The award amount for the Federal Pell Grant is determined annually by the federal government. Eligibility is determined by completing the Free Application for Federal Student Aid (FAFSA) online at studentaid.gov/fafsa. Once submitted, a FAFSA Submission Summary is created, which indicates the student's eligibility for this grant.
- **Federal Supplemental Educational Opportunity Grant (FSEOG):** FSEOG awards are funds made available on a limited basis and allocated to students with the lowest Student Aid Index (SAI) who also qualify for a Pell Grant. The Federal Pell Grant is determined through the FAFSA process.

Federal Loans

- These loans are low-interest, fixed-rate federal loans borrowed through the federal government.

Federal Direct Subsidized Loan:

A subsidized loan is one that the government pays the interest while the student is in school, in a grace period, or in deferment. Payments of principal and interest may be deferred while enrolled at least half-time as a degree-seeking student. Repayment begins six months after graduation or discontinuance of at least half-time, degree-seeking enrollment. A student must complete the FAFSA and demonstrate need to be considered for a subsidized loan. First-time borrowers must additionally complete a [Master Promissory Note \(MPN\)](#) and [Entrance Counseling](#) to better understand repayment and options.

Federal Direct Unsubsidized Loan:

Students who do not qualify or only qualify for part of the subsidized loan based on need are eligible for an unsubsidized loan. An unsubsidized loan is one that the government does not pay the interest on the loan while the student is in school, in a grace period, or in deferment. Payments of principal and interest may be deferred while enrolled at least half-time as a degree-seeking student. Repayment begins six months after graduation or discontinuance of at least half-time, degree-seeking enrollment. A student must complete the FAFSA to be considered for an unsubsidized loan. First-time borrowers must additionally complete a [Master Promissory Note \(MPN\)](#) and [Entrance Counseling](#) to better understand repayment and options.

Student Accounts and Payments

Course and Fee statements are available on the [NNU Portal](#) prior to the beginning of each semester. The "Student" tab will provide options to view financial aid awarded to you and generate your Course and Fee Statement. The Course and Fee Statement displays and explains each semester's balance due; estimated charges, financial aid, completed payments and credits.

Changes in a student's course load may result in an increase or decrease of charges and/or financial aid. When adding or dropping classes, a student should contact his or her Financial Aid Officer to determine any changes to financial aid and/or total balance. It is the student's responsibility to ensure timely payment and communication with any third-party payer.

A student's balance due can be determined by deducting the semester financial aid award from the semester charges; amounts can be found on the course and fee statement located in the student portal

Questions concerning Student Accounts should be directed to (208) 467-8534, 1-877-668-4968 or studentaccounts@nnu.edu.

Financial Clearance

Payment in full or satisfactory financial arrangement of the student's balance must be completed no later than the Thursday before the first day of class.

Satisfactory financial arrangements include:

- Payment in full
- Financial Aid equal to or greater than the total balance owed
- Enrollment & continued participation in (4) four-month payment plans (*only available to students participating in Fall A8, Spring A8, and Summer A8)
- Combination of the above listed options that produces a zero balance on the student account

ENROLLMENT DEADLINE:

The deadline for completing enrollment is (14) fourteen calendar days before the first day of class.

*For students starting in the second session of a semester(B8) the calendar does NOT allow for a payment plan. Therefore, payment is required in-full by the Thursday before the first day of class. To enroll in a payment plan, please visit my.nnu.edu and go to the "Pay Bill" page to view your balance before proceeding to the payment/payment plan portal using the red "Pay your bill" button.

Missed/Failed Payments

If a student fails to pay their student account bill or any monies due and owing to Northwest Nazarene University by the scheduled due date and fails to make acceptable payment arrangements as defined by NNU to bring their account current, NNU may refer the delinquent account to a collection agency. If NNU refers the student account balance to a third party for collection, a collection fee will be assessed and will be due in full at the time of the referral to the third party. The collection fee will be calculated at the maximum amount permitted by applicable law, but not to exceed 40% of the amount outstanding. For purposes of this provision, the third party may be a debt

collection company or an attorney. If a lawsuit is filed to recover an outstanding balance, the student shall also be responsible for any cost associated with the lawsuit, such as court costs or other applicable costs. The delinquent account may be reported to one or more of the national credit bureaus.

- If payment is not brought current within five (5)-days of payment due date, access to classes and course material will be suspended until such time as the account is once again brought current.
- 15-days after any failed payment without the account being brought current will result in administrative withdrawal and the added withdrawal fees.
- Registration for subsequent semesters and continued enrollment will be available only after the prior semester's balance is paid in full.
- Release of diplomas are granted only after the student's account is paid in full.

Refund Schedule

SESSION REFUND SCHEDULE

0-14 calendar days	15-35 calendar days	36-56 calendar day(s)
100% refund	50% refund	0% refund

Fee Schedule

- Graduation Fee: \$25
- Commencement Fee: \$100
- Late Graduation application fee: \$100 (refer to the Registrar/graduation webpage for dates)
- Return checks may incur a \$20 fee
- Withdrawal Fee: \$100

NNU eCampus

Undergraduate Program and Degree Requirements

Mission

The mission of NNU eCampus is to transform adult learners by guiding them through a distinctly Christian, relevant, career-focused educational experience, which is accelerated, flexible, student-centric, and economical.

NNU eCampus Undergraduate Program

The NNU eCampus Undergraduate Program at Northwest Nazarene University offers two degrees, the Accelerated Bachelor of Arts and the Accelerated Bachelor of Science. To qualify for a bachelor's degree at NNU, students must satisfy the seven requirements described below. Faculty and staff members at the University advise students concerning progress toward graduation; however, students are responsible for meeting all graduation requirements.

In order for students to graduate under the requirements of the catalog in use at the time they matriculated, a bachelor's degree must be completed within seven years. Otherwise, students must use the most recent catalog.

- Total Credits. The student must complete a minimum of 92 semester credits.
- Residency. The student must complete at least 24 credits from NNU; a minimum of 12 credits must be from NNU eCampus.

- Upper-Division Credits. The student must complete at least 32 semester credits in courses numbered above 2999.
- Quality of Grades. All grades must average C (2.000) or better. A grade of C- (1.700) or better must be earned in all courses that apply toward the major. Some majors have higher GPA requirements. See individual program descriptions for details.
- NNU Leadership Core Curriculum. The student must complete the general education program for the bachelor's degree. Students who have completed an approved Associate of Arts or Associate of Science degree prior to enrollment, see the Associate of Arts or Associate of Science Degree Transfer.
- Major Field of Study. In addition to the various areas of scholarship represented in the general education group requirements, a baccalaureate degree requires a more detailed acquaintance with the advanced materials and methods of a particular field. In this field of concentration, the student is expected to attain an elementary degree of mastery and a background for further reading and study, formal or informal. In many cases, this major study has professional or vocational value.
- Application for Graduation. Candidates for a degree must submit an application for graduation and have the application approved by the administrator(s) of the program.

Degree Framework

Degree Framework for the 92-Credit Accelerated Bachelor's Degree

92 Credit Accelerated Bachelor's Degree				
16 Credit Leadership Core 1 (GE)	16 Credit Leadership Core 2 (GE)	Major: 20 Credit Discipline Certificate 1	Major: 20 Credit Discipline Certificate 2	20 Credit Aligned Certificate or Electives
High Flex Policies for Transfer Credit and Credit for Prior Learning; Embeds Theological Outcomes		40 Credit Major + 20 Credit Aligned Certificate or Electives		

Note. Each course is 4 credits, and a degree requires a minimum of 32 upper division credits (any courses)

The NNU Leadership Core | Habits of Heart, Soul, Mind, and Strength

The Liberal Arts and Human Flourishing

An education may be put to many valuable purposes. Our courses develop both discipline-specific skills, enabling our graduates to earn livings in fulfilling jobs, and “soft skills,” helping them to be agile in their careers and adept in working well with others, so they can succeed even in adverse conditions. Yet a liberal arts education intends to instill not only skills, but also a love for knowledge and values that are sufficient as ends, not merely as means to ends. Taken this way, our Leadership Core Curriculum, rooted in the liberal arts tradition, can help students escape instrumental thinking about their time at NNU. Instead of continually asking, “What can I do with this?” NNU students can approach their education with the liberating question, “How will this shape me as a person?”

A “Christian” Liberal Arts Education?

The liberal arts lend themselves well to a Christian way of thinking about the world and our place in it because they engage with all domains of life, and God makes claims on all domains of life— “You shall love the Lord your God with all your heart, and with all your soul, and with all your mind, and with all your strength.” Submitting all of our abilities to God and cultivating them to their utmost potential let us live into Irenaeus’s recognition that “the glory of God is the human being fully alive.” We glorify God by fulfilling the goal of a liberal arts education, which is to become fully human. The pursuit of Christian habits developed through the liberal arts is a worthy goal for any Christian undergraduate, and is rightly at the heart both of NNU’s mission and of the Leadership Core Curriculum.

Institutional Student Learning Outcomes

Compassion

Students will exhibit habits of asking questions, listening attentively, faithfully articulating the diverse views of others, and demonstrating care for others.

Courage

Students will engage complex issues, confront personal fears, and advocate for ethical principles in challenging situations.

Curiosity

Students will appreciate the diversity of the created order and the complexity of human experience with thoughtful questions, open-mindedness, and earnest academic inquiry.

Honesty

Students will demonstrate integrity in the pursuit of knowledge, personal conduct, and the formation of a coherent worldview grounded in truth-seeking.

Humility

Students will develop self-reflection, a teachable disposition, and an ability to admit mistakes.

Perseverance

Students will persist through educational setbacks and show resilience in overcoming obstacles.

Wisdom

Students will evaluate information from diverse sources, synthesize multiple perspectives, and make well-reasoned decisions that consider ethical implications and long-term consequences.

NNU eCampus: Leadership Core

The general education requirements for the accelerated bachelor's degree are comprised of 32 credits, eight classes (four credits each), which are aligned with the institutional general education outcomes of compassion, courage, curiosity, honesty, humility, perseverance, and wisdom. The outcomes encompass the habits of heart, soul, strength, and mind which are focused on helping students encounter the liberal arts from a Christian perspective. With the perspective of the adult learner in mind, the general education requirements were developed as two leadership certificates in which the courses interweave liberal arts content with leadership and professional principles. The theology student learning outcomes will be embedded within adult focused coursework. Each course seeks to integrate relevant application and content which is meaningful for the professional adult student.

Leadership Core 1 Courses

Course Code	Course Title	Habits	Credits
ECLC1040	Professional Writing	Humility, Perseverance	4
ECLC1000	Psychological Foundations of Personal and Vocational Wellness	Courage, Honesty	4
ECLC2030	Interpersonal Communication	Compassion, Honesty	4
ECLC2240	Statistics and Data Fluency	Curiosity, Perseverance	4

Leadership Core 2 Courses

Course Code	Course Title	Habits	Credits
ECLC2120	Leading Through Story	Compassion, Curiosity	4
ECLC2550	Character Formation and Ethical Leadership	Curiosity, Wisdom	4

Course Code	Course Title	Habits	Credits
ECLC3110	Leadership, Vocation, and Christian Practice	Curiosity, Wisdom	4
ECLC3350	Informed Strategic Leadership	Courage, Humility	4

Academic Perspectives

Academic Integrity

Northwest Nazarene University seeks to establish academic integrity within the University community. Such integrity is fundamental to the principles of the Judeo-Christian tradition and is consistent with the nature and culture of Northwest Nazarene University. This serves to promote the desired values of truth, transformation, and community by fostering a spirit of honest intellectual inquiry. The University has identified the following as unacceptable practices. These practices include, but are not limited to:

1. Cheating in its various forms, whether copying another student's work, allowing your own work to be copied, completing work, in whole or in part, for another student, using unauthorized aids, including Internet resources, on an assessment, having someone else take an exam for you, submitting another person's work as your own, giving a false excuse to have an exam rescheduled;
2. Plagiarizing, e.g. presenting the words or ideas of another person as your own, including inadequate documentation of sources (electronic, internet, or print) and excessive dependence on the language of sources even when documented, by using a similar order of sentences while altering a few words or word order;
3. Submitting the same work from a current or previous course or assignment without prior written approval from the professor;
4. Using copyrighted material without appropriate citation or copying software or media files (such as music, movies, etc.) without permission;
5. Fabricating data, including falsifying or manipulating data to achieve desired results, reporting results for experiments not done ("dry labbing"), or falsifying citations in research reports;
6. Denying other students access to academic information. whether in the classroom, the library (by hiding books, for example), or a computer lab;
7. Destroying, altering, or tampering with another student's work to impede academic progress;
8. Obtaining course materials and/or problem solutions from a professor, student, or online source without professor authorization;
9. Falsely reporting completion of reading or other course assignments;
10. Altering, falsifying, or misrepresenting an academic document;
11. Communicating false information whether oral, written, electronic, or nonverbal;
12. Submitting work using AI-generated output without prior written approval from the instructor;
13. Forging signatures; and/or
14. Aiding others to engage in any of the above violations.

Students who either witness or have knowledge of violations are responsible for informing the instructor or appropriate University personnel.

Student identified to be in violation of the academic integrity policies outlined above during their college matriculation are subject to the following discipline by the Vice President for Academic Affairs, in addition to actions taken by the respective professor:

1. First reported violation - professor's discretion (see below)
2. Second reported violation - failure in the course (if the student has not already failed the course)
3. Third reported violation - dismissal from the university

Faculty members must notify students of their violation of the academic integrity policy and give students an opportunity to respond. Because violations of academic integrity cumulatively lead to dismissal, faculty members are required to report each case to their dean and to the Academic Affairs Office.

Academic Load

Academic load refers to the total number of semester credits for which the student is registered during any one semester.

Twelve semester credits constitute a full academic load for a full-time undergraduate student, while 16 semester credits constitute an average academic load. Students may enroll for 20 credits through a petition process with the approval of the University Registrar.

Academic Petition Policy

A student who wishes to be granted an exception to a general academic policy may file a Special Academic Petition with the University Registrar. The Special Academic Petition is to be used for policies relative to (a) registration deadlines; (b) eligibility for upper-division credit; (c) academic load; (d) transfer credit; (e) university honors; (f) general education requirements; or (g) any other general academic policy.

Action of the University Registrar: The University Registrar will either grant or deny the petition and will notify the student in writing no later than seven days after receiving the completed Special Academic Petition.

If a student is dissatisfied with the action of the University Registrar, the student may appeal the decision in accordance with the Academic Appeals Policy. The First Appeal to the program Faculty Director must be filed within twenty-one days of the action of the University Registrar.

Academic Appeals Policy

Appeals Process

Informal Appeal to Faculty Member. A student who believes that a faculty member has taken an adverse academic action against the student shall discuss the problem through an informal meeting with the appropriate member of the faculty. Such informal meetings need not be reduced to writing, and do not require a written decision from the faculty member. Any student who believes that the outcome of the informal meeting results in a decision of the faculty member which constitutes an adverse action may initiate a First Appeal by filing a timely notice of appeal with the program Faculty Director. Any failure by the student to bring such a first appeal within twenty-one days of the adverse action shall be deemed to be (a) a waiver by the student of any further appeal; and (b) a final action by the University.

First Appeal to Faculty Director. If a student is dissatisfied with the resolution determined by the faculty member under the Informal Appeal described above, the student may pursue a First Appeal, but only if the student files a Notice of Appeal with the faculty member's program Faculty Director within twenty-one days of the adverse action. Any such first appeal shall be determined by the program Faculty Director. The Faculty Director shall provide the student notice of a hearing (if any) regarding such First Appeal, and shall issue a written decision regarding such First Appeal within seven days of the Faculty Director's receipt of the Notice of Appeal or the hearing, whichever is later. Any failure by the student to timely file such a Notice of Appeal shall be deemed to be (a) a waiver of any further appeal; and (b) a final action by the University.

Second Appeal NNU eCampus Associate Vice President (AVP). If a student is dissatisfied with the decision rendered by the department chair or program Faculty Director, the student may pursue a Second Appeal to the NNU eCampus AVP, but only if the student files a Notice of Appeal with the NNU eCampus AVP within seven days of entry of the written decision of the first appeal. Any such Second Appeal shall be determined by the NNU

eCampus AVP. NNU eCampus AVP shall provide the student notice of a hearing (if any) regarding such Second Appeal, and, if a hearing occurs, shall issue a written decision regarding such Second Appeal within seven days of such hearing. Any failure by the student to timely file such a Notice of Appeal shall be deemed to be (a) a waiver of any further appeal; and (b) a final action by the University.

Third and Final Appeal. If a student is dissatisfied with the decision rendered by the NNU eCampus AVP, the student may pursue a Third and Final Appeal, but only if the student files a Notice of Appeal with the Vice President for Academic Affairs (VPAA) within seven days of entry of the written decision of the Second Appeal. Within seven days of notice of the appeal the VPAA shall inform the NNU eCampus AVP of the appeal. The Third and Final Appeal shall be determined by the VPAA. The VPAA shall provide the student notice of a hearing (if any) regarding such Third and Final Appeal, and the VPAA shall issue a written decision regarding such Third and Final Appeal within fifteen days of such hearing. Any decision by the VPAA shall constitute the final action of the University regarding the Academic Appeal.

Add/Drop/Withdraw Policy

Eight-week session courses:

- **ADD:** Students may add a class up to and including the seventh day of the session.
- **DROP:** Students may drop a class up to and including the eighth day of the session without receiving a 'W.'
- **WITHDRAW:** Students may withdraw from a class and receive a 'W' up to and including the completion of the fourth week of the session.

Students who withdraw from all their courses during a semester are subject to a \$100 withdrawal fee if the withdrawal occurs after they have attended more than 10% of the semester.

Additional Bachelor's Degree

NNU eCampus offers two different undergraduate degrees: Accelerated Bachelor of Arts and Accelerated Bachelor of Science.

A student may earn an additional bachelor's degree when the second degree contains at least 32 semester credits in addition to the total credits required for the first degree.

The following conditions will apply to the earning of an additional bachelor's degree:

- All requirements for the second degree must be met.
- A minimum of 16 credits, including at least 12 upper-division credits, must be taken at NNU.
- A student who has not completed residency must complete at least 24 semester credits from NNU; a minimum of 12 credits must be from NNU eCampus.
- The following courses must be taken at NNU:
 - [ECLC2550](#): Character Formation and Ethical Leadership
 - [ECLC3110](#): Leadership, Vocation, and Christian Practice

Additional Major - Undergraduates

To earn multiple majors, a student must complete all requirements in each major. A minimum of nine credits in the major must be unique to the major, and may not be duplicated in a second major. Some academic departments may limit the number of majors that are allowed to be earned within the department.

Advanced Placement Credit - Undergraduates

A maximum of eight (8) semester credits per course will be awarded for Advanced Placement (AP) courses taken for one year during high school.

Credit for AP exams is accepted (granted) as transfer credit from the Educational Testing Service (ETS). Original documentation from ETS is required and the credits are evaluated according to NNU standards.

College credit will be granted on the basis of scores 3, 4, or 5 made on the Advanced Placement Examination of the College Entrance Board. The number of credits granted will be determined by the University Registrar.

Class Participation and Engagement

Northwest Nazarene University's professional studies programs are online and accelerated. The university expects students to complete all course requirements and achieve course-related student learning outcomes, including class participation and engagement. Weekly participation and engagement in courses are important prerequisites for student success. Online, participation means logging into Canvas a few times a week to view course materials, check for announcements, view grading feedback, and complete assignments. Throughout the course, the university will check in on your participation, and someone will reach out if there are any concerns. While weekly class attendance is not required, each student must start the course and participate in an academically related activity by Sunday of Week 1.

Participation is demonstrated by any of the following methods:

- attending a synchronous virtual session related to a course,
- submitting an academic assignment,
- taking a quiz or exam,
- participating in an online discussion assigned in a course,
- or initiating a discussion with a professor or university personnel about academic or enrollment matters

Students who do not participate in a course in one or more of these methods within the first seven days of a course will be administratively withdrawn from the course.

Classification of Undergraduate Students

Students admitted to the university are classified as **Level 1** until minimum requirements for a higher classification have been met.

For **Level 2** standing students must have completed 24 semester credits and have a cumulative grade point average of at least 1.700.

For **Level 3** standing students must have completed 47 semester credits and have a cumulative grade point average of at least 2.000.

For **Level 4** standing students must have completed 70 semester credits and have a cumulative grade point average of at least 2.000. Level 4 standing does not assure candidacy for a degree.

Post-baccalaureate students are those who have received the baccalaureate degree and are registered for additional coursework at the undergraduate level.

Copyright Statement

Northwest Nazarene University, as a nonprofit educational institution, is entitled by law to use materials protected by the U.S. Copyright Act for classroom education. Access and use of course materials is restricted to enrolled students for the duration of the course. Any use or distribution of those materials outside the class may violate the law.

Course Numbering and Course Cancellations

In most departments the courses are arranged to cover a two-year cycle; some courses are offered every year, others in alternate years, thus giving a wider range of electives over a two-year period than could otherwise be offered.

Numbering System:

Number	Level
0090-0999	Remedial elective university credit
1000-1999	Level 1 courses
2000-2999	Level 2 courses
3000-3999	Level 3 courses
4000-4999	Level 4 courses

Students may enroll in courses numbered one level higher than their classification:

Level 1: 23 or fewer credits

Level 2: 24-46 credits

Level 3: 47-69 credits

Level 4: 70 or more credits

Cancellation of Courses:

The university reserves the right to cancel any course at any time.

Credit for Prior Learning

College-level learning may occur in many environments outside the formal classroom. Students enrolled in an NNU eCampus accelerated degree program may be awarded college credit for learning outside the classroom that is documented through one of the channels listed in this section.

Students may earn a maximum of 23 (25% of degree) credit hours via credit for prior learning (CPL). The CPL may be earned through the following avenues:

- [Credit for Military Experience](#)
- Standardized testing (e.g., [CLEP](#), [DTTS](#), [Peregrine](#))
- Courses and programs evaluated by the American Council on Education
- Credit hours earned at an organization or institution having accreditation recognized by the Council for Higher Education Accreditation
- Credit hours that have been evaluated by the National College Credit Recommendation Service
- Approved certificates

College Level Examination Program (CLEP)

The CLEP program may be used for granting university credits to those who demonstrate proficiency in specific subjects. The following are guidelines for accepting credits: Credits earned by CLEP are granted to enrolled students. Such credits may be counted toward degrees but count as transfer credits, and they may not be included in the residency requirement for graduation. No grades or quality points will be assigned CLEP credits. The recommendation by the American Council on Education (ACE) for designated passing scores and credit values will be used to issue University credits. A student may not receive credit through CLEP for a course which is a prerequisite for a course already taken nor for an equivalent University course already taken.

Credit for Military Experience

Credit for experience in the armed forces of the United States may be allowed in accordance with the recommendations of the American Council on Education. Credit is not granted for courses which are vocational or technical in nature. Official documents covering the work must be submitted to the eCampus office for evaluation.

Dantes Subject Standardized Tests (DSST)

The DSST program may be used for granting university credits to those who demonstrate proficiency in specific subjects. The following are guidelines for accepting credits:

Credits earned by DSST are granted to enrolled students. Such credits may be counted toward degrees but count as transfer credits, and they may not be included in the residency requirement for graduation. No grades or quality points will be assigned to DSST credits.

The recommendation by the American Council on Education for designated passing scores and lower- and upper-division credit values will be used to issue university credits.

A student may not receive credit through DSST for a course which is a prerequisite for a course already taken nor for an equivalent university course already taken.

Peregrine Tests

Additionally, NNU eCampus works with Peregrine Global Services to offer subject-matter exams in business as part of the Credit for Prior Learning process. Students can opt into taking exams for credit. Credits will be applied as appropriate in consultation with the Pathway Coordinator. Please see course descriptions for information on which course requirements may be met through Peregrine exams.

All test results must meet the GPA requirement of 2.0 to be applied toward the degree.

Degree Conferral and Commencement

A student's official graduation from Northwest Nazarene University occurs on the day the University confers the student's degree.

Degrees are conferred after grades have been entered, degree requirements are completed, and all the academic and administrative requirements of their education program requirements verified at the end of each month during the semester and at the end of the semester. When your degree is conferred, it means you are a legal and official graduate of your program.

After degrees are posted students will be sent their diploma and can order official transcripts. Students whose degrees have already been conferred are encouraged to participate in the annual commencement ceremony conducted each spring.

Commencement Participation: All students who wish to participate in spring commencement ceremonies must have six or fewer credits remaining to complete and have all other degree requirements met.

Degree Requirement Substitution or Exemption

Only the University Registrar may make any substitutions or exemptions within the Leadership Core for degrees.

Any substitutions for specific courses required for a particular major fulfilling requirements may be made only by the Faculty Director.

Degree Withholding or Revocation

Withholding Degree

The University may permanently withhold the awarding of a degree, or withhold the awarding of a degree pending the completion of Disciplinary Procedures, including the completion of all sanctions imposed, if any.

Revocation of Degree

A degree awarded from Northwest Nazarene University may be revoked for fraud, misrepresentation, or other violation of University standards in obtaining the degree, or for other serious violation committed by a student prior to graduation.

Determining Catalog

The catalog outlines the courses required to complete each major and degree offered by Northwest Nazarene University. The Catalog in place for the first year of a student's enrollment will be the catalog that a particular student will adhere to throughout the completion of the degree. The student has the right to either use their beginning enrollment year catalog or move to the requirements of any other subsequent catalog throughout their enrollment time at Northwest Nazarene University. The student may NOT move to a catalog that was in use prior to their beginning enrollment at NNU. If a student wishes to move to another catalog, other than their starting year catalog, they must request permission from the Office of the Registrar.

Undergraduate students must complete their degree within seven years of their beginning enrollment year in order to remain in their beginning enrollment year catalog. Otherwise, they will be moved to the most recent catalog after the lapse of those seven.

Enrollment Status

Active Status: A student who has been admitted to a NNU eCampus program and is enrolled in at least one course.

Inactive Status: A student who does not register for a course applicable to the degree for three consecutive semesters will be removed from active status and must make arrangements with the program faculty director to regain active status. This policy does not apply to students who are not enrolled due to disciplinary reasons.

Continuous Enrollment: Those students who have completed all coursework but have not completed all requirements for a program must be continuously enrolled in a minimum of 4 credit hour to retain access to University and faculty services.

FERPA (Family Educational Rights and Privacy Act)

The [Family Educational Rights and Privacy Act \(FERPA\)](#) enacted in 1974 provides three categories of information that fall within its statutory boundaries.

Directory Information

FERPA defines Directory Information as information contained in the educational record that would not generally be considered harmful or an invasion of student privacy if disclosed. **A university is able to release Directory Information regarding a student without prior student consent.** Students may request that Directory Information **not be** disclosed by contacting the Office of the Registrar on the lower level of the Emerson Administration Building or at registrar@nnu.edu.

The following is considered Directory Information by NNU:

- Name
- Address
- Telephone Listing
- E-mail Address
- Field of study
- Dates of Attendance
- Enrollment Status
- Degrees and Awards Received
- Photographs
- Most Recent Previous School Attended
- Participation in Officially Recognized Activities

Personally Identifiable Information (PII)

Personally Identifiable Information is protected under FERPA and **may be disclosed only with written consent of the student.** FERPA permits school officials to disclose, without consent, personally identifiable information from education records to appropriate parties in connection with an emergency, if knowledge of that information is necessary to protect the health or safety of the student or other individuals.

The following is considered Personally Identifiable Information by NNU:

- Student ID Number
- Social Security Number*
- Biometric Record
- Date and Place of Birth
- Name and Address of the Student's Parent or Other Family Members
- Race
- Ethnicity
- Nationality
- Gender

*Northwest Nazarene University requests the voluntary submission of student Social Security Numbers to assist in validating students, administering student financial aid programs, collecting student debts, and reporting under the Tax Relief Act of 1997.

Educational Information or Record

FERPA defines educational information as records, files, documents, and other materials that are maintained by an educational agency or institution or by a person acting for such agency or institution. This information **must never be disclosed** without the written consent of the student.

The following is considered part of the student's Educational Record:

- Student's Grades
- Grade Point Average (GPA)
- Social Security Number
- Academic Evaluations
- Disciplinary Records

Grade Reports

Grades are available to students at the end of the semester through the "my.nnu.edu" web-based portal system. If either parent has claimed the student as a dependent on the parent's most recent income tax return, a school may disclose the student's education records to either parent, without the eligible student's consent.

Grading System

The academic work of the student is graded in accordance with the following system. Grade points per credit and an explanation of the grading system are also listed.

Grade	Explanation	Points
A	Distinctly superior or exceptional work	4.0
A-		3.7
B+		3.33
B	Meritorious work	3.0
B-		2.7
C+		2.33
C	Adequate work	2.0
C-		1.7
D+		1.33
D	Less than satisfactory but passing	1.0
F	Failing work. The grade of F necessitating repetition	0.0

Grade Code	Definition
P	Passing work (Reflects a grade of C- or better)
LP	Low Pass (Reflects a grade of D)
I	Incomplete: Work incomplete due to extreme circumstances, requiring an approved extension. An incomplete must be resolved by the end of the following session unless an extension is granted.
IP	In Progress: Assigned for coursework designed to extend beyond one session.
L	Long-Term Coursework: Used for multi-session courses such as internships, expected to be completed within one calendar year.
W	Withdrawal: Indicates withdrawal after the official add/drop period and before the fourth week of the session.
X	No Final Examination: Indicates no final exam was taken. Requires approval for a make-up exam.
AU	Audit: Indicates a course taken without credit.
CR	Credit: Credit earned without quality points.

Grade Code	Definition
NR	Not Received: Grade not submitted by the instructor.

A grade of I indicates incomplete work. A grade of X indicates no final exam was taken. An incomplete (I or X) may be given when, because of extreme circumstances, a student requires an extension of time to complete the course work or final exam. An I or X may be granted only by petition, which the student may initiate through the professor or the professor may initiate on a student's behalf. The request must be approved by the University Registrar. When an I or X is submitted, it will always have a suffix grade attached which represents the grade the student will receive if no further work is done for the course, e.g., ID or XF. If the incomplete is not made up by the close of the semester following the one in which the mark was incurred, the prefix I or X will be dropped from the grade, e.g., ID will become D, unless an additional request is made to have the period of the incomplete extended. An instructor may request that the student make up the deficiencies before the end of the semester. On a pass/fail grade, an IP may not be assigned. The only incomplete grades that can be assigned to a pass/fail course is IF or XF.

A grade of L may be given only in courses that, by design, require more than one semester to complete, such as an internship. The L grade will be replaced by either a P grade or a point-receiving grade upon course completion. Courses given an L grade are expected to be completed within one calendar year from the last day of the semester, unless an additional request is made and granted through the Office of the Registrar to have the period of time extended. If one calendar year elapses and no extension is filed, the L grade will convert to an F grade.

A grade of W is always recorded when a student has withdrawn according to prescribed procedures. Ordinarily, no withdrawals will be granted after the Friday of the eighth week of the semester. No credit is awarded for a course receiving a grade of W.

W, I, L, and X are neutral grades, and no quality points are given for them. The semester grade point average of a student is determined by dividing the total number of quality points earned in any semester by the total number of credits in his or her academic load, excluding neutral course units.

Honors at Graduation

Honors are awarded to accelerated bachelor's degree students according to the following criteria:

- **Summa Cum Laude** is awarded to students with a cumulative grade point average at or above 3.900.
- **Magna Cum Laude** is awarded to students with a cumulative grade point average between 3.750 and 3.899.
- **Cum Laude** is awarded to students with a cumulative grade point average between 3.500 and 3.749.

Students must have completed at least 60 semester credits at Northwest Nazarene University or have transferred to NNU with a transfer cumulative GPA of 3.5 or higher to be eligible for honors at graduation. The cumulative grade point average for determining honors is based only on grades received at Northwest Nazarene University.

Identity Fraud

Committing identity fraud is considered particularly serious and could have legal and institutional implications. Any student who has another individual impersonate or in any other way commits identity fraud in any course, assignment, exam, or any type of academic exercise will be expelled from Northwest Nazarene University.

International Baccalaureate Program (IB)

Credit will be granted for individual Standard Level (SL) or Higher Level (HL) courses completed with a score of 5, 6, or 7. Five lower-division credits will be granted for each course. Students will not receive credit for English Language B (language acquisition) courses.

Students earning the International Baccalaureate Full Diploma will receive five credits for each course completed, for a total of 30 credits. No credit will be granted for the Theory of Knowledge (ToK) course.

Official Enrollment

Official enrollment at Northwest Nazarene University means that a student has registered for a schedule of classes and has cleared his/her student account with the Business Office.

Registration dates are found in the official University calendar published in this catalog and elsewhere. Instructions for registration will be furnished to each student prior to the time of registration.

A final registration period of one or two days is scheduled at the beginning of each semester. A \$100 late registration fee will be charged for completion of registration after this designated time.

Program Teach-Out Policy

When program elimination occurs or program requirements significantly change, students are informed as soon as possible. In the case of program elimination, the University commits to "teach-out" the courses for the program within a reasonable time frame or make appropriate course substitutions to ensure students fulfill all the requirements of the program. Pathway Coordinators work closely with the students to develop a plan that enables students to complete program requirements in a timely manner. Students enrolled in a program that has been eliminated or modified may graduate with the degree requirements in a previous catalog within a seven-year time period.

Recognition at Semester

Each semester recognition is awarded to students enrolled in the NNU eCampus programs according to the following criteria:

- **President's List** is awarded to undergraduate students with a semester GPA of 4.00 and at six credits.
- **Dean's List** is awarded to undergraduate students with a 3.50-3.99 and at least six credits.

Students must have earned a minimum of 12 credits (6 for graduate students) and be degree-seeking in order to receive this recognition.

Recommendations

Recommendation of a student for entrance into a profession or professional school is done at the sole discretion of the faculty member. Satisfactory completion of the prescribed academic curriculum does not in itself guarantee a recommendation will be given. The letter or verbal reference may contain student information such as work habits, personality, and character traits of the student or refer to anything that comes from the faculty or staff members personal experience with the student and it is not written down or recorded at the institution.

Recommendations can include statements that relate to the faculty or staff's perception of the student, such as: "excellent student, exceptional writing, strong insight, excels in critical thinking, works well in teams, dependable, conscientious and punctual."

Under FERPA regulations the following information is considered to be part of the education record and cannot be disclosed without written consent of the student: student schedules, attendance records, grades, exams, papers, student emails or advising records, student financial information and student discipline files, etc. If the faculty or staff member and the student determine that it will strengthen the recommendation letter by including any of the information above, the student's written permission should be obtained before proceeding.

Recommendations cannot include specific information such as, "earned an A in my class, has a GPA of 3.8, never had an incident of academic dishonesty or required discipline," without the written approval from the student.

Repeated Courses

Students may repeat courses that they previously completed. Credit is allowed only once. The credit earned and grade point average will reflect the most recent grade. While the original course and grade remain on the permanent transcript, they are not used to calculate credits earned or the cumulative grade point average. Courses that may be repeated for credit are so designated in their course description. If a student desires to replace an NNU course with a transfer course, a [Request for Course Repeat form](#) must be filed with the University Registrar before enrolling in the course.

Semester Credit

One semester credit is a quantitative measure representing 45 hours per credit. With a four-credit, eight-week class, this is approximately 18-22 hours a week.

Semester Length

A semester is generally 16 weeks. Two eight-week sessions are offered within each semester.

Standards of Student Behavior

Students are expected to observe acceptable online behavior, which is behavior that fosters an atmosphere of learning, free and open exchange of thought, and respect for the instructor and classmates within the learning environment. Instructors are also expected to maintain a safe environment for students free from intimidation, bullying, and harassment per the Faculty Policy Manual. All students participating in Northwest Nazarene University courses are responsible for their conduct in the classroom. The "classroom" is defined as an on-campus location, off-campus location for a required classroom activity (clinicals, field experience, class trip), or an online course shell.

Freedom of speech and expression is valued in the academic setting, and education often requires active engagement around differences of opinion or interpretation. However, members of the NNU community are expected to commit to behavior and use of language that enhances and grows our personal character by using words that uplift and encourage one another, choosing to avoid any language and behavior that may be construed as harassment based upon gender, sexual orientation, race, religion, or other defining identity traits, excluding from our conversation vulgar, obscene, or bullying language, and striving to live lives free from lying, dishonesty, fraud, perjury, and any disruptive or offensive actions, whether spoken, written, or otherwise.

Students are expected to abide by the following guidelines including, but not limited to:

1. Accessing the learning management system and other classroom resources for lawful purposes only.
2. Respecting the privacy of other members of the class and other students including not sharing classroom discussions with non-class members, or externally on social media or other public platforms.
3. Respecting the diversity of opinions among the instructor and members of the class and communicating differences in a courteous manner.
4. Avoiding the use of threatening, harassing, sexually explicit, or discriminatory language, or conduct that violates state or federal law or NNU policy on sexual harassment or discrimination.
5. Avoiding any unauthorized posting or transmitting of sexually explicit or disturbing images or other content that is deemed by any instructor or administrator to be offensive.
6. Behaving in a way that does not disrupt the educational environment of other students either online or off-line.
7. Keeping all electronic communication respectful including avoiding the use of ALL CAPS in your writing, which can be considered a form of verbal abuse.

Any violations of the University Standards of Student Behavior policy may be subject to discipline as deemed appropriate by the instructor and/or university administration. Disciplinary action could be, but is not limited to, consequences such as a "zero" or "no credit" for an assignment associated with inappropriate classroom behavior, failure in the course, removal from the course, program, or University, or involvement of Campus Safety or law enforcement.

Individual academic programs may have additional policies on student conduct or behavior that could result in further disciplinary action. If a student is dissatisfied with the action of the instructor and/or University administration, the student may appeal the decision in accordance with the Academic Appeals policy.

State Authorization Reciprocity Agreements (SARA)

SARA is an agreement among member states, districts and territories that establishes comparable national standards for interstate offering of postsecondary distance education.

In 2010 the U.S. Department of Education released rule 34 C.F.R. § 600.9 requiring institutions offering distance education across state lines to seek authorization to offer programs in states where students reside. Northwest Nazarene University joined NC-SARA (National Council for State Authorization Reciprocity Agreements) in 2015, permitting NNU to offer distance education in other SARA states in accordance with State Authorization Reciprocity Agreements Policies and Standards. A list of states participating in NC-SARA may be found at <http://nc-sara.org/>. To further comply with 34 C.F.R. § 600.9, Northwest Nazarene established a State Authorization Commission to advise administrators on state authorization requirements, coordinate efforts to seek authorization in non-SARA states, and develop a [State Regulatory Authority](#) webpage.

SARA membership does not ensure NNU is authorized to offer distance education programs leading to professional licensure in a particular state. Northwest Nazarene University continues to work on authorization of such programs in each state. If you are interested in, or enrolled in a distance education program leading to professional licensure (currently Nursing or Education), please contact the academic department for information regarding NNU state authorization. You may also contact the licensing agency in the state in which you intend to receive licensure to determine if Northwest Nazarene University's programs fulfill that state's requirements.

Student Access to Records

Students have access to their biographical and academic records through a web-based system.

Northwest Nazarene University is in compliance with the Family Educational Rights and Privacy Act of 1974. Any student at Northwest Nazarene University may personally inspect, review, and have a copy made of any record kept on them. Where information regarding a student is commingled with that relating to other students, the student may have the information concerning only herself or himself transmitted orally. Anything in a student's record, which the student does not understand, will be explained. The records are reviewed and materials expunged periodically.

In order to protect the right to privacy, the University will not make any personally identifiable records available without the student's written consent to anyone other than: NNU officials with a legitimate educational interest, officials of other schools to which the student has applied, certain government officials, and/or persons in connection with an application for financial aid. However, according to FERPA regulations, if either parent has claimed the student as a dependent on the parent's most recent income tax return, a school may disclose the student's education records to either parent, without the eligible student's consent.

If a student concludes that his or her record contains inaccurate, misleading, or otherwise inappropriate data, the student may request an informal meeting with the appropriate administrator to see if, through discussion, a satisfactory agreement can be reached concerning correction, explanation, or deletion of material.

If satisfactory agreement cannot be reached informally, the student may proceed with the University judicial process. The claim of incorrectness must be proved before any material will be removed. The result of the judicial process will be provided to the student in writing within a reasonable period of time and is final.

Transcript of Academic Record

Unofficial transcripts can be obtained in the Office of the Registrar (bring photo ID), or you can email your request to registrar@nnu.edu with your name, date of birth and place of birth (city/state) to have your unofficial transcript emailed to you.

Official NNU Transcripts are processed through our third-party vendor, Parchment, and can be ordered online at www.nnu.edu/parchment-transcript. Click on the appropriate option and then the red ORDER TRANSCRIPT button to order your own official credentials or academic records. It will prompt for an email to either set up an account or log into your account in Parchment. If setting up an account for the first time, please do **NOT** use a school email account. Parchment allows a choice of electronic or paper transcripts. The official transcripts are normally acceptable evidence of your educational background to other institutions and are usually processed within five to seven business days.

Parchment also allows diploma replacements to be ordered. Diploma replacements are ordered at the beginning of each month. Please allow a few weeks for processing.

Transfer of Credits

Transfer Credits

Northwest Nazarene University accepts transfer credits as follows:

- University-level credits earned in academic degree programs at colleges and universities accredited by either regional or national accrediting associations are accepted at upper- and lower-division levels, in accordance with the US Department of Education's regulations published November 1, 2019.
- Credits earned at Bible colleges accredited by the Association of Biblical Higher Education (ABHE) are accepted at the lower-division level.
- Military credit is accepted according to ACE (American Council on Education) recommendations.
- Credits earned at an international college or university that have been evaluated by a member of the National Association of Credential Evaluation Services (www.naces.org) are accepted at upper- and lower-division levels.
- Credits earned at colleges and universities that are not regionally or nationally accredited but are accredited by an organization recognized by the Council for Higher Education Accreditation (CHEA) are granted on a case-by-case basis through the Special Academic Petition process.

The following policies apply to the acceptance of transfer credits by Northwest Nazarene University:

- Credits must be presented on an official transcript from the institution granting the credit.
- Credits are not accepted in which a grade lower than C- (1.70) was received.
- Remedial and developmental level courses are not accepted.
- Credits earned in vocational or technical programs are not generally accepted. However, these credit hours may be evaluated for possible Credit for Prior Learning.
- A transfer student's classification is based on the total number of credits accepted.
- A maximum of 62 semester credits may be transferred from two-year colleges.
- The cumulative grade point average while at Northwest Nazarene University is based only on grades received from Northwest Nazarene University and does not include grades earned at other colleges, institutions, or universities.

Transfer students are encouraged to contact the Office of the Registrar to determine the applicability of their coursework to specific NNU CORE requirements. A complete transcript evaluation is available by sending the request with an official copy of the university transcripts to the Office of the Registrar, Northwest Nazarene University, 623 S. University Blvd., Nampa, ID 83686 or email to registrar@nnu.edu.

The minimum number of credits required to complete a degree is 92 semester credits, of which 32 must be upper-division (courses numbered 3000 and above). For a complete listing of the undergraduate degree requirements, refer to the section in this catalog entitled "Undergraduate Degree Requirements."

Transfer of Associate of Arts (AA) or Associate of Science (AS) Degree

A student who enrolls at Northwest Nazarene University with an Associate of Arts or Associate of Science degree from a regionally accredited institution completed prior to admission will receive:

1. Level 3 standing
2. Transfer credit up to a maximum of 62-semester credits from two-year colleges.
3. Waiver of the NNU Leadership Core Curriculum requirements, with the following exceptions:
 - ECLC2550 Character Formation and Ethical Leadership (4 credits)
 - ECLC3110 Leadership, Vocation, and Christian Practice (4 credits)

Note: A two-year transfer degree does not guarantee a bachelor's degree completion within two years. Course prerequisites, course sequencing, and upper-division requirements must also be met. The waiver of degree requirements for transfer students with associate degrees other than the Associate of Arts (AA) or Associate of Science (AS) will be determined on a case-by-case basis.

Student Services

Campus Safety

The Campus Safety Department helps ensure that the NNU community is as safe as possible. The department's goal is to provide students with a positive experience while here, and invite all campus people and visitors to contact Campus Safety with any concerns, questions, or ideas about Campus Safety. NNU believes it is also the responsibility of individuals to remain involved in the safety and security of the NNU community. Students should remain alert to their surroundings at all times and report any unusual behavior or incidents immediately.

The Campus Safety office is located at: 515 S. Ivy Street directly behind the NNU Alumni House.

For emergencies, safety escorts, or immediate facility access: Contact the 24/7 "Officer on Duty" at 208-467-8911 or on campus at 8911. The line is monitored 24 hours a day, 365 days a year.

Center for Academic Success and Advising (CASA)

Academic Success

CASA supports academic programs by providing students with writing consultations and subject-area peer tutoring for select courses. These services are available free of charge to students.

Disability Services

It is the policy of Northwest Nazarene University (NNU) that no qualified persons with disabilities shall, on the basis of disability, be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination under any of its programs or activities. Any qualified student who has a physical or mental impairment which substantially limits one or more of major life activities--such as walking, seeing, hearing, speaking, breathing,

learning and/or working--can receive assistance at NNU as provided in Section 504 of the Rehabilitation Act of 1973, and the applicable provisions of the Americans with Disabilities Act of 1990 and the ADA Amendment Acts of 2008. The Director of CASA serves as the campus contact for disability-related needs.

CASA can be contacted at casa@nnu.edu or (208) 467-8463.

John E. Riley Library

The John E. Riley Library provides access to a variety of academic resources and services. The collections include print and e-books, print and e-journals, licensed databases, music CD's, DVD's, state-adopted K-12 curriculum, and government documents. Beyond the John E. Riley, there is the option to request materials from libraries across the United States, as well as participate in the reciprocal borrowing program through Christian colleges, universities, and seminaries across the United States. The library can be accessed at library.nnu.edu.

Librarians are available to help students develop search strategies, navigate information resources, locate hard-to-find materials, and use and cite sources ethically. During the regular academic year, librarians are available three evenings a week, and students may also [schedule an appointment](#) at other times. Research guides are embedded in each course to help students navigate the various licensed resources.

Local students are welcome to visit the John E. Riley Library, located in the Leah Peterson Learning Commons, to use the study rooms, work on research and writing assignments, or collaborate with classmates on group projects. Study rooms may be reserved up to 4 weeks in advance.

Information Technology Services (ITS) & The Teaching and Learning Center (TLC)

IT Services (ITS)

ITS is located in the Leah Peterson Learning Commons and provides technical support to students and employees of NNU. Services include but are not limited to the following:

- Accounts
- LMS/Classroom Technology
- Computer Hardware and Software
- ID Cards
- Printers

For more information, support hours, or to submit a request, visit help.nnu.edu or call (208) 467-8111.

The Teaching and Learning Center (TLC)

The Teaching and Learning Center (TLC) is a dedicated resource at the University designed to enhance the educational experience for both students and faculty. The TLC primarily interacts with faculty supporting them in course development, instructional support, and professional development. For students, the TLC provides support for digital learning platforms such as Canvas, remote proctoring, and more, helping students navigate and utilize these tools effectively for their coursework.

TLC can be contacted by submitting a request at help.nnu.edu, emailing help@nnu.edu, or calling (208) 467-8111.

Office of the Registrar

By providing accurate and timely data and having a thorough understanding of academic policy, the Office of the Registrar exists to serve and to educate faculty, staff, administrators, and students. The Office of the Registrar is

responsible for maintaining, storing, and distributing all academic records and petitions. Digital versions of transcripts are housed within the Office of the Registrar in perpetuity. Accurate and timely statistical data for institutional, regional, and national reports and surveys are generated by the Office of the Registrar. In addition, the Office of the Registrar verifies and organizes the data in the University catalog and the course schedule bulletin. At the end of each year commencement participation and oversight of the ceremony are managed through this office.

Degree Postings

Northwest Nazarene University posts the earned degree to the transcript at the end of each month and at the end of each semester.

Participation in Commencement

When all other requirements have been met, a student may participate in commencement if no more than six credits remain uncompleted at the end of the current semester.

Support Services

Career Development

Career Development provides information and assistance to students who wish to explore majors, assess career goals and investigate career opportunities. In addition, Career Development helps students craft effective resumes, practice interviewing techniques, establish networking contacts with alumni and others, and identify internships, part/full-time or seasonal employment including on-campus student employment opportunities. Career Development sponsors a number of career-related events during the academic year; a few highlights include Fall and Spring internship and career fairs, career development workshops, and alumni/student networking events. For more information on these resources and events, please visit the Career Development website: <https://nnu.edu/academics/student-support/career-development/>

Counseling Center

NNU Counseling Services, located at the NNU Wellness Center, offers services for undergraduate students including walk-in counseling, individual counseling, as well as on-campus and off-campus resources.

Undergraduate students are eligible to participate in any of the counseling services during the academic year.

Faculty, staff, and graduate students are eligible for consultation, referral, and crisis services during the academic year.

Services to NNU Departments include personality inventories, groups, consultations, crisis assistance, and other training as scheduled through the Director of Counseling Services.

NNU provides the Counseling Center as a free service and encourages its use.

Degrees and Certificates

Business

Undergraduate Degrees

Business Administration

The Accelerated Business Administration major at Northwest Nazarene University is designed to provide comprehensive professional training for students who aspire to enter a wide range of business careers. Our program prepares graduates with the essential knowledge, practical skills, and ethical foundation needed to succeed in today's dynamic business environment. This major also provides students with the necessary academic background to pursue graduate work in the field of business administration, ensuring a strong foundation for continued learning and leadership in business and related disciplines. The program is designed for non-traditional learners and provides an opportunity to earn a degree while maintaining current responsibilities of work, family, or other commitments.

Business Analytics

Business Analytics integrates core business knowledge with advanced study in artificial intelligence, business analytics, and organizational leadership. Students learn to apply AI tools and data analytics to real-world business challenges, to evaluate and implement machine learning solutions, and to communicate complex insights through clear visualizations and professional reporting. The program emphasizes ethical decision-making, governance, and the responsible use of technology, while also developing critical thinking, strategic planning, and leadership skills. Graduates will be able to analyze business problems, design data- and AI-driven solutions, evaluate organizational impacts, and lead teams effectively in today's dynamic business environment.

Accelerated Bachelor of Science

Objective

The Accelerated Bachelor of Science in Business Administration major at Northwest Nazarene University is designed to provide comprehensive professional training for students who aspire to enter a wide range of business careers. Our program prepares graduates with the essential knowledge, practical skills, and ethical foundation needed to succeed in today's dynamic business environment. This major also provides students with the necessary academic background to pursue graduate work in the field of business administration, ensuring a strong foundation for continued learning and leadership in business and related disciplines. The program is designed for non-traditional

learners and provides an opportunity to earn a degree while maintaining current responsibilities of work, family, or other commitments. All classes are offered online to accommodate busy schedules. The Accelerated Bachelor of Science degree requires 92 credit hours, which includes 40 credits in the major, 32 credit hours of Leadership Core courses, and 20 credits of electives (which can be combined to earn an aligned certificate).

Program Student Learning Outcomes

1. Demonstrate comprehensive knowledge of fundamental business concepts and practices applicable across diverse business environments.
2. Apply practical business skills—including problem solving, analytical thinking, and effective communication—to real-world scenarios.
3. Exhibit ethical leadership and decision-making abilities consistent with professional and societal standards.
4. Demonstrate competency of key business disciplines, including economics, accounting, finance, management, information technology, operations, international business, law, ethics, marketing, and communication, through performance on assessments and practical projects.
5. Apply relevant professional skills—such as teamwork, analytical reasoning, effective communication, technological proficiency, and business decision-making—by engaging in individual and group activities within contemporary business contexts.

Administrator: Faculty Director, Business Administration

Requirements:

- A minimum of 92 Credits (see [NNU eCampus Undergraduate Program Requirements](#))
 - Minimum 40 credits in Business Administration
 - 32 Credits in the [NNU eCampus Leadership Core](#)
 - 20 Credits of Electives (which can be combined to earn an aligned certificate)

Business Analytics

Business Analytics

Degree Type

Accelerated Bachelor of Science

Objective

Business Analytics integrates core business knowledge with advanced study in artificial intelligence, business analytics, and organizational leadership. Students learn to apply AI tools and data analytics to real-world business challenges, to evaluate and implement machine learning solutions, and to communicate complex insights through clear visualizations and professional reporting. The program emphasizes ethical decision-making, governance, and the responsible use of technology, while also developing critical thinking, strategic planning, and leadership skills. Graduates will be able to analyze business problems, design data- and AI-driven solutions, evaluate organizational impacts, and lead teams effectively in today's dynamic business environment.

Program Student Learning Outcomes

1. **Demonstrate Foundational Knowledge of AI and Business Analytics:** Explain and apply key concepts, theories, and methods of artificial intelligence and business analytics in organizational contexts.
2. **Apply Analytical and Technical Tools for Business Decision-Making:** Use programming languages (Python, R, SQL) and software platforms (Excel, Tableau, Power BI, BI systems) to extract, analyze, and interpret business data.
3. **Design and Implement Data- and AI-Driven Solutions:** Create models, workflows, and strategies that leverage machine learning, predictive analytics, and generative AI to solve real-world business problems.
4. **Communicate Insights Effectively:** Translate complex data and AI outputs into clear, actionable insights through visualization, storytelling, written reports, and professional presentations.
5. **Evaluate Ethical, Legal, and Governance Considerations:** Assess the ethical, social, and regulatory implications of AI and analytics, and propose governance frameworks for responsible implementation.
6. **Integrate Multidisciplinary Perspectives for Business Impact:** Apply AI and analytics within broader business domains (marketing, finance, operations, leadership) to improve organizational performance and competitiveness.
7. **Demonstrate Professional and Collaborative Competence:** Work independently and in teams to design, deliver, and evaluate projects that reflect critical thinking, creativity, and effective leadership in digital and data-driven environments.

Criminal Justice

Undergraduate Degrees

Criminal Justice

The online accelerated Criminal Justice major is designed for adult learners seeking a flexible yet academically rigorous pathway to careers in criminal justice, public service, or related fields, as well as preparation for graduate and professional study. Grounded in a commitment to human dignity, ethical responsibility, and the pursuit of justice, the program examines crime, law, and justice systems through coursework in criminological theory, policing, courts, and corrections, while addressing issues such as fairness, accountability, public safety, inequality, and community impact. The program emphasizes critical thinking, evidence-based analysis, and reflection on personal and professional values. Graduates are prepared for entry-level and advancement opportunities in law enforcement, corrections, courts, probation and parole, victim advocacy, social services, and related roles, and gain a strong foundation for continued study and principled leadership in justice-related professions.

Accelerated Bachelor of Arts

Objective

The online accelerated Criminal Justice major is designed for adult learners seeking a flexible yet academically rigorous pathway to careers in criminal justice, public service, or related fields, as well as preparation for graduate and professional study. Grounded in a commitment to human dignity, ethical responsibility, and the pursuit of justice, the program examines crime, law, and justice systems through coursework in criminological theory, policing, courts, and corrections, while addressing issues such as fairness, accountability, public safety, inequality, and community impact. The program emphasizes critical thinking, evidence-based analysis, and reflection on personal and professional values. Graduates are prepared for entry-level and advancement opportunities in law enforcement, corrections, courts, probation and parole, victim advocacy, social services, and related roles, and gain a strong foundation for continued study and principled leadership in justice-related professions.

Program Student Learning Outcomes

1. Demonstrate Knowledge of the Structures and Functions of the Criminal Justice System
 - Describe the organizational structure and distinct roles of law enforcement, courts, and corrections within the criminal justice system.
 - Analyze how the three components of the criminal justice system interact and depend on one another to process cases and achieve justice outcomes.
2. Analyze Criminological Theories, Research Findings, and Practices
 - Apply major criminological theories to analyze patterns of crime, victimization, and criminal behavior across diverse social contexts.
 - Assess how social, economic, and environmental factors shape crime patterns and inform justice policy.
 - Use empirical research and evidence-based practices to evaluate criminal justice interventions and public safety outcomes.
3. Analyze Constitutional Principles and Criminal Law Doctrines
 - Understand and apply constitutional provisions and landmark court decisions that define individual rights within the criminal justice process.
 - Evaluate legal decision-making through the lens of due process, equal protection, and evolving judicial standards.
 - Understand and apply criminal law doctrines to analyze case scenarios involving substantive criminal law, search and seizure, interrogation, right to counsel, and adjudication.
4. Evaluate Policing Practices and Efficacy
 - Assess policing strategies and policies for their effectiveness in preventing crime while maintaining public trust and accountability.
 - Analyze equity considerations and ethical dimensions in law enforcement decision-making and policy design.
 - Examine community-based and collaborative approaches to public safety, including problem-oriented policing and restorative practices.
5. Assess Correctional Philosophies and Practices
 - Evaluate the effectiveness of correctional programs and interventions in reducing recidivism and supporting successful reentry into the community.
 - Analyze the role of innovative and restorative justice approaches as alternatives to traditional incarceration.

- Examine how public safety goals shape correctional policy and assess the evidence base for various punishment and rehabilitation strategies.
- 6. Examine the Experiences and Needs of Victims and Justice-Involved Populations
 - Apply ethical reasoning and evidence-based perspectives to understand the impact of crime on victims and affected communities.
 - Evaluate policies and programs designed to address the needs of justice-involved individuals, including those related to reentry, rehabilitation, and victim services.
 - Analyze how systemic factors influence outcomes for marginalized and vulnerable populations within the justice system.
- 7. Demonstrate Professional, Ethical, and Value-Based Reasoning and Communication Skills
 - Integrate research findings, legal analysis, and reflective judgment to develop informed responses to contemporary justice challenges.
 - Apply ethical and value-based frameworks to evaluate dilemmas encountered in criminal justice practice, policy, and advocacy.
 - Communicate evidence-based conclusions and professional recommendations clearly and effectively in written and oral formats.

Administrator: Faculty Director, Criminal Justice

Requirements:

- A minimum of 92 Credits (see [NNU eCampus Undergraduate Program Requirements](#))
 - Minimum 40 credits in Criminal Justice
 - 32 Credits in the [NNU eCampus Leadership Core](#)
 - 20 Credits in Understanding Human Behavior (8 credits in Understanding Human Behavior overlap with the Leadership Core)
 - 8 Credits of Electives

Criminal Justice Aligned Certificate

Degree Type

Aligned Certificate

Objective

The online accelerated Criminal Justice program is designed for adult learners seeking a flexible yet academically rigorous pathway to careers in criminal justice, public service, or related fields, as well as preparation for graduate and professional study. Grounded in a commitment to human dignity, ethical responsibility, and the pursuit of justice, the program examines crime, law, and justice systems through coursework in criminological theory, policing, courts, and corrections, while addressing issues such as fairness, accountability, public safety, inequality, and community impact. The program emphasizes critical thinking, evidence-based analysis, and reflection on personal and professional values.

Administrator: Faculty Director, Criminal Justice

Requirements: A total of at least 20 credits in Criminal Justice.

Organizational Leadership

Undergraduate Degrees

Organizational Leadership

The Accelerated B.S. in Organizational Leadership equips students to lead effectively in dynamic, diverse, and data-driven environments. Rooted in practical application and contemporary leadership theory, this fully online program prepares graduates to influence change, foster collaboration, and drive ethical decision-making across industries. Emphasizing strategic thinking, communication, team development, and innovation, the program is designed to meet the leadership demands of today's global and digital workplace.

The Accelerated B.S. in Organizational Leadership equips students to lead effectively in dynamic, diverse, and data-driven environments. Rooted in practical application and contemporary leadership theory, this fully online program prepares graduates to influence change, foster collaboration, and drive ethical decision-making across industries. Emphasizing strategic thinking, communication, team development, and innovation, the program is designed to meet the leadership demands of today's global and digital workplace.

Program Student Learning Outcomes

1. Apply Leadership Theories and Frameworks
 - Demonstrate the ability to apply leadership theories to real-world organizational challenges.
 - Compare and contrast major leadership models to assess their relevance in different organizational settings.
 - Identify how leadership behaviors influence team outcomes and organizational effectiveness.
 - Make leadership decisions that align with clearly defined values and priorities.
2. Design and Lead Organizational Change
 - Apply change leadership models (e.g., Kotter, Lewin, Bridges) to implement adaptive and transformative change.
 - Assess organizational readiness and lead initiatives through planning, communication, and stakeholder engagement.
 - Evaluate the human impact of change efforts and revise strategies accordingly.
3. Cultivate Learning Cultures and Team Development
 - Coach individuals and teams using developmental frameworks and performance feedback tools.
 - Support continuous learning by encouraging reflection, experimentation, and knowledge sharing.

- Apply organizational behavior concepts to understand how group dynamics, motivation, and communication influence culture.
 - Create environments that support psychological safety, innovation, and shared accountability.
 - Evaluate how leadership contributes to building and sustaining a learning culture.
4. Utilize Strategic and Systems Thinking
- Design strategic plans that align with mission, values, and stakeholder priorities.
 - Diagnose challenges to develop focused, coherent strategies that address root causes and leverage key strengths.
 - Apply strategic tools and thinking to complex and adaptive challenges.
5. Communicate Strategically and Effectively as a Leader
- Develop communication approaches that align with audience needs, strategic goals, and organizational tone.
 - Demonstrate clarity, authenticity, and professionalism across written, verbal, and digital formats.
 - Communicate effectively in situations that require persuasion, transparency, or response to feedback.

Social Work

Undergraduate Degrees

Social Work

The accelerated bachelor's degree in Social Work program provides students with foundational knowledge and experience to support human rights, social justice, access to resources and well-being in all people, particularly those with marginalized identities. Students will learn real-world skills to support individuals, families, groups, and communities to address their challenges. The program provides hands-on learning through over 400 hours in social service internships and prepares students to be culturally competent, compassionate, and effective in making a difference with vulnerable populations. Graduates are prepared to immediately enter the workforce in careers such as child welfare, direct care, CBRS, Behavioral Intervention, adoptions, community outreach, and case managers. An ABA in Social Work allows students to move directly into an advanced placement in an MSW graduate program which allows them to work in clinical behavioral health settings, school social work, substance abuse counseling, and other roles.

Northwest Nazarene University's social work program is nationally accredited at the undergraduate and graduate level by the Council on Social Work Education (CSWE).

Northwest Nazarene University's social work program is nationally accredited at the undergraduate and graduate level by the Council on Social Work Education (CSWE).

Program Student Learning Outcomes

1. Demonstrate Ethical and Professional Behavior
 - Make ethical decisions by applying the standards of the National Association of Social Workers Code of Ethics, relevant laws and regulations, models for ethical decision making, ethical conduct of research, and additional codes of ethics within the profession as appropriate to the context.
 - Demonstrate professional behavior; appearance; and oral, written, and electronic communication.
 - Use technology ethically and appropriately to facilitate practice outcomes.
 - Use supervision and consultation to guide professional judgment and behavior.
2. Advance Human Rights and Social, Racial, Economic, and Environmental Justice
 - Advocate for human rights at the individual, family, group, organizational, and community system levels.
 - Engage in practices that advance human rights to promote social, racial, economic, and environmental justice.
3. Engage Anti-Racism, Diversity, Equity, and Inclusion (ADEI) in Practice
 - Demonstrate anti-racist and anti-oppressive social work practice at the individual, family, group, organizational, community, research, and policy levels.
 - Demonstrate cultural humility by applying critical reflection, self-awareness, and self-regulation to manage the influence of bias, power, privilege, and values in working with clients and constituencies, acknowledging them as experts of their own lived experiences.
4. Engage in Practice-Informed Research and Research-Informed Practice
 - Apply research findings to inform and improve practice, policy, and programs.
 - Identify ethical, culturally informed, anti-racist, and anti-oppressive strategies that address inherent biases for use in quantitative and qualitative research methods to advance the purposes of social work.
5. Engage in Policy Practice
 - Use social justice, anti-racist, and anti-oppressive lenses to assess how social welfare policies affect the delivery of and access to social services.
 - Apply critical thinking to analyze, formulate, and advocate for policies that advance human rights and social, racial, economic, and environmental justice.

6. Engage with Individuals, Families, Groups, Organizations, and Communities
 - Apply knowledge of human behavior and person-in-environment, as well as interprofessional conceptual frameworks, to engage with clients and constituencies.
 - Use empathy, reflection, and interpersonal skills to engage in culturally responsive practice with clients and constituencies.
7. Assess Individuals, Families, Groups, Organizations, and Communities
 - Apply theories of human behavior and person-in-environment, as well as other culturally responsive and interprofessional conceptual frameworks, when assessing clients and constituencies.
 - Demonstrate respect for client self-determination during the assessment process by collaborating with clients and constituencies in developing a mutually agreed-upon plan.
8. Intervene with Individuals, Families, Groups, Organizations, and Communities
 - Engage with clients and constituencies to critically choose and implement culturally responsive, evidence-informed interventions to achieve client and constituency goals.
 - Incorporate culturally responsive methods to negotiate, mediate, and advocate with and on behalf of clients and constituencies.
9. Evaluate Practice with Individuals, Families, Groups, Organizations, and Communities
 - Understand that evaluation is an ongoing component of the dynamic and select and use culturally responsive methods for evaluation of outcomes.
 - Critically analyze outcomes and apply evaluation findings to improve practice effectiveness with individuals, families, groups, organizations, and communities.

Sport Management and Coaching

Undergraduate Degrees

Sport Management and Coaching

The Accelerated Bachelor of Science in Sport Management and Coaching prepares students for dynamic careers in the global sports industry. This interdisciplinary program combines principles of business, management, marketing,

and law with the unique demands of the sports world. Students gain a solid foundation in areas such as sport marketing, event and facility management, sport finance, ethics, leadership, and sport law. The curriculum also emphasizes critical thinking, communication, and leadership—essential competencies for success in a wide range of sport-related careers. Graduates are prepared to pursue roles in sport marketing, event coordination, athletic administration, facility management, sports media, and more. The program also provides a strong foundation for graduate study in sport management, business administration, or related fields.

Graduates are prepared to pursue roles in sport marketing, event coordination, athletic administration, facility management, sports media, and more. The program also provides a strong foundation for graduate study in sport management, business administration, or related fields.

Program Student Learning Outcomes

1. Knowledge of the Sport Industry
 - Demonstrate understanding of the structure, function, and scope of the sport industry at the professional, amateur, and recreational levels.
 - Explain key issues, trends, and challenges facing sport organizations.
2. Business and Management Proficiency
 - Apply core principles of business, including marketing, finance, economics, and management, to sport settings.
 - Analyze and interpret financial documents related to sport operations.
3. Sport Marketing and Promotion
 - Develop marketing strategies for sport products and events.
 - Understand fan engagement, branding, and media relations specific to sport organizations.
4. Legal and Ethical Understanding
 - Recognize and analyze legal issues in sport, including contracts, liability, and risk management.
 - Identify ethical dilemmas and apply decision-making models in sport management contexts.
5. Communication and Leadership
 - Demonstrate effective written and oral communication skills tailored to sport audiences.
 - Exhibit leadership and teamwork skills necessary for managing diverse sport organizations.

Courses

Business Administration

ECBU1000 : Program Pre-Assessment

Students in the eCampus business administration program complete both pre- and post-program assessments to measure their knowledge at different stages of their academic experience. Because many students enter the program with prior professional experience, these assessments help distinguish what they have learned through the program from what they already knew.

The assessments are conducted using a secure, online platform and are designed to evaluate program-level knowledge in alignment with accreditation standards. Results provide objective, data-driven insights that support assurance of learning, demonstrate outcomes to stakeholders, and guide continuous program improvement.

This course is Pass/Fail. Students will receive a passing grade upon completion of the assessment.

Credits 0

ECBU2010 : Principles of Economics

An introduction to the basic economic principles that are used to understand the process of decision-making by individuals and business organizations. Students will study production, distribution, exchange and consumption at both the micro and macro-level.

Credits 4

ECBU2060 : Financial Accounting

An introduction to financial accounting in business. Topics include basic terminology, mechanics, theoretical framework of double-entry bookkeeping and preparing financial statements for external reporting. Emphasis is placed on creating the financial statements and includes topics related to inventory, receivables, long term assets, stocks and bonds.

Credits 4

ECBU2070 : Managerial Accounting

An introduction to managerial accounting. Course will explore decision-making models in factory and service organization settings. Topics include cost flows in a factory environment, cost-behavior patterns, break-even analysis, lease or buy, make or buy, and business contraction and expansion of product lines. Considers the time value of money and covers financial statements for internal use and the statement of cash flows. Computer applications will be used throughout the course.

Credits 4

ECBU2170 : Computer Applications in Business

Introduction to computers as a tool for business. Includes fundamental concepts of information technology and the use of business application software such as word processing, spreadsheets, database, graphics, electronic communications, and the web.

Credits 4

ECBU3030 : Management Information Systems

The course considers management information systems from the perspectives of the manager, accountant and data processing professional. Topics include introductory concepts, hardware and software resources, common areas of application, and planning and developing management information systems. The areas of application include financial information systems, marketing production information systems, personnel and managerial decision models, and general office information systems.

Credits 4

ECBU3410 : Business Law

Study of the present-day law of business in the United States as it relates to contracts, sales, agencies, the legal environment, and selected topics. Ethical considerations and international topics are also discussed.

Credits 4

ECBU3510 : Principles of Marketing

Study of marketing from the point of view of the business firm. Topics include the structure of the marketing system, the nature of marketing management, consumer behavior, marketing research, product policy, pricing policy, channels of distribution policy, promotion policy, and analytical techniques useful to marketing management.

Credits 4

ECBU3640 : Principles of Management

Study of the functions and principles of management with emphasis on relationships between workers and management as well as between individual employees. Topics cover the areas of planning, organizing, directing and controlling personnel, and decision-making procedures and techniques.

Credits 4

ECBU3710 : Principles of Finance

An introduction to financial management. Topics include financial statement analysis, valuation of cash flows, capital budgeting, the time value of money, the concepts of risk and return, cost of capital and applications of these concepts in the firm.

Credits 4

ECBU3950 : Field Experience in Business

This course is designed to provide academic credit for a complementary experience in business or academics related to the student's major. Academic credit is awarded for work hours at a rate of one credit hour for each 40 hours of work and/or the achievement of agreed-upon learning outcomes. This course awards a maximum of three credit hours and will have a pass/fail grade. May be repeated for credit.

Credits 1

-3

ECBU3960 : Internship in Business

Business students may enhance their academic experience through participation in an internship. Internships are a unique form of education, integrating classroom study with planned and supervised work experience. Learning objectives will be established prior to the start of an internship and one credit hour is awarded for every 40 hours of work. This course will be graded and may be repeated for credit.

Credits 2

-3

ECBU4600 : Global Business Strategies

The course will cover the structure of global operations, methods of entering international markets, cultural impact on business practices, legal and ethical impact on multi-international business, human resource management in international firms, and international movement of business factors.

Credits 4

ECBU4990 : Program Assessment

Students in the eCampus business administration program complete both pre- and post-program assessments to measure their knowledge at different stages of their academic experience. Because many students enter the program with prior professional experience, these assessments help distinguish what they have learned through the program from what they already knew.

The assessments are conducted using a secure, online platform and are designed to evaluate program-level knowledge in alignment with accreditation standards. Results provide objective, data-driven insights that support assurance of learning, demonstrate outcomes to stakeholders, and guide continuous program improvement.

This course is Pass/Fail. Students will receive a passing grade upon completion of the assessment.

Credits 0

Business Analytics

ECBA1110 : Foundations of Business Analytics

An analysis of the core analytics concepts and tools for turning data into reliable information, and the ability to identify analytics types, data quality, and visualization basics.

Credits 4

ECBA1120 : Introduction to Artificial Intelligence in Business

An exploration of AI concepts, tools, and ethical implications to provide a foundation for understanding AI fundamentals, identifying practical applications, and evaluating ethical considerations.

Credits 4

ECBA2410 : Data Visualization and Storytelling

Establishing processes for turning raw data into compelling visual narratives as well as applying design principles, choosing appropriate charts, and telling data stories.

Credits 4

ECBA2420 : Applied Machine Learning for Business

A real-world approach for applying Machine Learning techniques for business problem-solving. The focus will be on building and evaluating models, as well as using Machine Learning with business datasets and applications.

Credits 4

ECBA3610 : AI Ethics, Governance, and Risk Management

The development and process of frameworks for ethical, transparent, and compliant AI use, including governance strategies, mitigating AI risks, and alignment with regulations.

Credits 4

ECBA3620 : Generative AI for Creativity and Productivity

The process of utilizing generative AI tools to enhance creativity, productivity, and customer engagement including developing prompt engineering skills, automating creative workflows, and evaluating business processes and workflows.

Credits 4

ECBA3810 : Big Data and Business Intelligence

Develop frameworks for managing and analyzing large-scale datasets, understanding big data systems, Business Intelligence tools, and real-time analytics.

Credits 4

ECBA3820 : Predictive Analytics for Business Decisions

A review of the techniques and approaches for forecasting and predictive modeling, and the ability to apply predictive models, interpret results, and support decision-making.

Credits 4

ECBA4610 : Strategic Analytics in Practice

An integrative capstone project applying AI and analytics skills to solve a real-world problem, demonstrating work on end-to-end analytics projects, from problem definition to executive presentation.

Credits 4

ECBA4620 : AI Strategy and Implementation in Business

A project-based course for developing an AI adoption plan, identifying strategic opportunities, implementing pilots, and measuring success.

Credits 4

Criminal Justice

ECCJ1500 : Foundations of Criminal Justice

An introductory examination of the criminal justice system, including law enforcement, courts, and corrections. The course explores the historical development, structure, and function of criminal justice institutions, as well as key concepts such as crime, justice, discretion, and ethics. Emphasis is placed on understanding the interrelationships among system components and contemporary challenges facing the field.

Credits 4

ECCJ2250 : Police and Communities

This course examines the role of policing in a democratic society, with a focus on police–community relations, legitimacy, accountability, and public trust. Students explore community-oriented and problem-solving policing strategies, use-of-force issues, and the impact of social, cultural, and organizational factors on police practice.

Credits 4

ECCJ2310 : Criminal Punishment and Corrections

This course explores the philosophies, goals, and practices of punishment and corrections. Topics include incarceration, community-based sanctions, rehabilitation, reentry, and alternatives to incarceration. Students critically examine correctional policies and their impact on individuals, communities, and public safety.

Credits 4

ECCJ2550 : Criminology

An analysis of major criminological theories and research related to crime, criminal behavior, and societal responses to crime. The course examines biological, psychological, sociological, and environmental explanations of crime, as well as patterns of crime and victimization. Students apply theory to real-world issues and contemporary crime trends.

Credits 4

ECCJ3260 : Victimology

An exploration of the nature and extent of crime victimization and its impact on individuals and communities. Topics include victim rights, victim services, trauma-informed responses, and the role of victims within the criminal justice system. The course emphasizes ethical and evidence-based approaches to addressing victim needs.

Credits 4

ECCJ3350 : Criminal Law

An examination of the substantive principles of criminal law, including elements of crimes, defenses, and standards of criminal responsibility. The course emphasizes legal reasoning, statutory interpretation, and the application of criminal law to factual scenarios. Attention is given to the balance between individual rights and societal interests.

Credits 4

ECCJ3410 : Juvenile Justice

An examination of the juvenile justice system, its historical development, and its philosophical foundations. The course explores juvenile law, court processes, correctional approaches, and prevention strategies, with attention to developmental considerations and the balance between accountability and rehabilitation.

Credits 4

ECCJ4250 : Criminal Court Systems

This course examines the structure and operation of criminal courts, including the roles of judges, prosecutors, defense attorneys, and other court personnel. Topics include charging decisions, plea bargaining, trial processes, sentencing, and courtroom decision-making. Students analyze how legal, organizational, and discretionary factors influence case outcomes.

Credits 4

ECCJ4360 : Constitutional Foundations of Criminal Justice

This course focuses on constitutional principles that shape criminal justice practice, including due process, search and seizure, interrogation, and the rights of the accused. Students analyze key Supreme Court decisions and their implications for law enforcement, courts, and corrections.

Credits 4

ECCJ4410 : Innovative Justice Methods

This course explores emerging and alternative approaches to addressing crime and justice-related challenges. Topics include restorative justice, problem-solving courts, diversion programs, reentry initiatives, and technology-driven innovations. Students evaluate the effectiveness, ethical implications, and practical applications of innovative justice strategies.

Credits 4

ECHB2610 : Shaping Society: The Foundations of Public Policy

This course introduces students to the history, processes, and effects of public policy in the United States. Students will explore how policies are created, implemented, and evaluated, as well as the roles played by government institutions, interest groups, and citizens in shaping outcomes.

Credits 4

ECHB3180 : Race, Class, and Identities

This course examines how race, class, and social identities shape human experience, social structures, and community life. Students will engage with sociological and historical perspectives to understand social inequalities and cultural differences. The course encourages students to reflect on how Christian values inform the pursuit of human dignity across diverse global societies.

Credits 4

ECHB3450 : Abnormal Psych (typical/atypical)

This course provides an in-depth exploration of abnormal psychology, focusing on the diagnosis of mental health conditions and understanding associated behaviors. Students will analyze various disorders through case studies, applying diagnostic criteria from the DSM-5-TR while also examining the ethical considerations involved in treatment. The curriculum is designed to equip working professionals with practical skills and knowledge directly applicable to roles involving mental health care and supporting individuals with atypical behavior.

Credits 4

Leadership Core

ECLC1000 : Psychological Foundations of Personal and Vocational Wellness

This course provides a comprehensive exploration of psychological principles and their direct application to personal and professional success. Students examine the key factors that influence psychological health, learn evidence-based strategies for managing stress and emotions in professional and personal environments, and develop the practical skills necessary to build resilience and cultivate strong, positive relationships. The goal of this course is to equip students with valuable insights and tools to enhance their overall quality of life and career satisfaction.

Credits 4

ECLC1040 : Professional Writing

This course equips students with the practical writing and communication skills needed in professional settings. Students will learn to analyze audiences, apply persuasive strategies, and navigate communication ethics in real-world contexts. Emphasis is placed on clear document design, effective use of visuals, collaboration with colleagues, and professional oral presentations. Throughout the course, students will produce workplace-ready documents such as memos, reports, and proposals that strengthen their ability to communicate with clarity and professionalism in organizational environments.

Credits 4

ECLC2030 : Interpersonal Communication

Interpersonal Communication is the study of theories and practice in verbal and nonverbal communication with a focus on interpersonal relationships. Emphasis is on improving interpersonal skills and increasing communication competence in everyday social exchanges, and applying effective conflict strategies. Topics include perception, listening, friendships, professional and family relationships, building and maintaining healthy relationships, and recognizing the dark side of human relationships.

Credits 4

ECLC2120 : Leading Through Story

Through art and literature, this course explores leadership through the lens of great stories. Drawing on a variety of literature and film, students will analyze characters, conflicts, and turning points, connecting these narratives to leadership theories and practices. Guided by a faith integration perspective, students will analyze stories to consider how spiritual values, moral vision, and ethical frameworks shape both the portrayal of leaders and the practice of leadership. Through guided discussion, reflective writing, and comparative analysis, participants will deepen skills in critical thinking, ethical reasoning, and self-awareness. By the end of the course, students will emerge with a richer understanding of how narrative can inspire, challenge, and shape effective leadership in real-world contexts.

Credits 4

ECLC2240 : Statistics and Data Fluency

This course introduces students to the fundamental concepts of statistics, data fluency and data visualization. Through hands-on projects and real-world datasets, students learn how to collect, analyze, and summarize data using statistical methods, then design clear, effective visualizations to reveal trends and patterns, driving the extraction of actionable knowledge which informs decision making and outcomes. Students will master both the theory and software tools needed to communicate data-driven stories to technical and non-technical audiences.

Credits 4

ECLC2550 : Character Formation and Ethical Leadership

This course introduces students to the process of virtue formation as it relates to leadership and decision making. Virtues, like any other skill, are developed through effective practices and habit formation. The goal is to shape leaders who engage in moral practices and habits that equip them with integrity, self-awareness and reliable decision making.

Credits 4

ECLC3110 : Leadership, Vocation, and Christian Practice

This course equips adult learners to explore leadership as a calling rooted in the practices of the Christian faith. With particular attention to the Wesleyan tradition and within a spirit of generous orthodoxy, students will examine how rhythms of worship and commitments to justice form the character, vision, and skills of leaders. This course emphasizes leadership not only as influence or authority but as service, discernment, and community transformation. Alongside critical reflection on Scripture, tradition, and experience, students will discern their own sense of calling and cultivate rhythms of leadership that are sustainable, faithful, and attentive to the needs of their communities. Students will engage in practices that shape faithful leaders, critically reflect on their own sense of vocation, and develop practical habits and strategies for leading with integrity, wisdom, and courage in diverse contexts.

Credits 4

ECLC3350 : Informed Strategic Leadership

This interdisciplinary course explores the intersection of strategic decision-making and leadership development in a world increasingly shaped by data and artificial intelligence (AI). Designed for emerging and established leaders, the course equips students with the leadership frameworks and analytical methodologies necessary to craft and implement vision-driven, data-informed strategies in complex, dynamic environments. Students will examine how decisions are made at individual, organizational, and societal levels, including leveraging context, data analytics, and AI to enhance decision quality. Simultaneously, the course emphasizes the leadership competencies required to guide teams, influence stakeholders, and drive change aligned with strategic goals.

Credits 4

Prerequisites

[ECLC2240](#) (Statistics and Data Fluency) or other defined equivalency

ECPL1000 : Topics for Prior Learning (LD)

One of the foundational components of degree completion programs is the opportunity for students to demonstrate specific learning outside the classroom. Various methods for documenting this learning are available via an eCampus course. Students are enrolled in the Credit for Prior Learning course after consultation with the Pathway Coordinator.

As credit hours are documented and calculated, the information is sent to the Registrar's office and for transcription in the Topics for Prior Learning course. This ensures the hours are applied toward the degree and appear on the student's degree audit.

This course captures lower-division credit hours. These hours may not count toward the major. Course can be repeated for credit. Grades as Pass/Fail.

Credits 1

-23

ECPL3000 : Topics for Prior Learning (UD)

One of the foundational components of degree completion programs is the opportunity for students to demonstrate specific learning outside the classroom. Various methods for documenting this learning are available via an eCampus course. Students are enrolled in the Credit for Prior Learning course after consultation with the Pathway Coordinator.

As credit hours are documented and calculated, the information is sent to the Registrar's office and for transcription in the Topics for Prior Learning course. This ensures the hours are applied toward the degree and appear on the student's degree audit.

This course captures upper-division credit hours. These hours may not count toward the major. Course can be repeated for credit. Grades as Pass/Fail.

Organizational Leadership

ECOL1210 : Foundations of Leadership

This course introduces students to what it means to lead with a development approach, beginning with self-awareness and growth. Students explore classic and contemporary leadership theories, examine how emotional intelligence influences leadership, and reflect on their own leadership identity. It focuses on how personal development contributes to leadership effectiveness.

Credits 4

ECOL1330 : Organizational Behavior & Culture

This course examines how individuals, teams, and organizations behave and how leaders shape culture and outcomes. Students study motivation, power dynamics, group behavior, and organizational culture. They learn how to foster workplaces that encourage learning, adaptability, and engagement.

Credits 4

ECOL2310 : Innovation & Systems Thinking

This course introduces students to systems thinking and innovation frameworks essential for navigating complexity in modern organizations. Students will explore the dynamics of systems, feedback loops, leverage points, and design thinking as tools that enable innovation. Emphasis is placed on the role of leaders in fostering curiosity, cross-boundary collaboration, and adaptive experimentation within complex and evolving systems.

Credits 4

ECOL2430 : Evidence-Informed Leadership & Impact

This course prepares students to lead with insight by applying research, organizational data, and stakeholder feedback to decision-making. Students learn to evaluate evidence, measure what matters, and communicate findings to improve organizational performance. Topics include performance metrics, decision-making biases, and how leaders build cultures of learning and accountability.

Credits 4

ECOL3430 : Communication for Leaders

This course emphasizes the role of communication in effective leadership, along with the study of the nature and function of communication within the organization. Students will analyze communication strategies, explore approaches and theories of organizational communication and leadership, and identify common organizational communication problems and their solutions. Emphasis is placed on understanding how to communicate well as a leader and on creating transparent and values-aligned communication in digital, organization, and interpersonal contexts.

Credits 4

ECOL3530 : Leading Across Differences

This course explores how leaders navigate diverse environments, including multicultural teams, generational differences, gender dynamics, and varied thinking styles. Students gain tools to foster inclusion, equity, and belonging while managing the complexity that diversity brings to leadership practice.

Credits 4

ECOL3620 : Leading & Developing Teams

This course applies a developmental leadership perspective to building high-performing, adaptive teams. Emphasis is placed on team coaching, mentoring, performance feedback, and psychological safety. Students will learn how to cultivate collective learning and shared accountability, using frameworks that promote growth, resilience, and innovation.

Credits 4

ECOL3830 : Organizational Development & Effectiveness

Through a human-centered lens, this course explores organizational systems, functions, and the continuous improvement processes that sustain effectiveness. Students will examine organizational development (OD) theories and practices that promote alignment, adaptability, and long-term value creation, with a focus on how leaders catalyze these efforts.

Credits 4

ECOL4310 : Strategic Planning & Performance

This course introduces strategic planning and performance management through the lens of developmental leadership. Students will explore strategic thinking, goal alignment, and performance metrics, and learn how to create inclusive planning processes that engage stakeholders in shaping and executing strategy.

Credits 4

ECOL4620 : Leading Organizational Change

Grounded in a human-centered leadership approach, this course explores how leaders facilitate adaptive and transformational change. Students will examine change models, resistance dynamics, communication planning, and stakeholder engagement to lead human-centered change initiatives.

Credits 4

Social Work

ECHB2610 : Shaping Society: The Foundations of Public Policy

This course introduces students to the history, processes, and effects of public policy in the United States. Students will explore how policies are created, implemented, and evaluated, as well as the roles played by government institutions, interest groups, and citizens in shaping outcomes.

Credits 4

ECHB3180 : Race, Class, and Identities

This course examines how race, class, and social identities shape human experience, social structures, and community life. Students will engage with sociological and historical perspectives to understand social inequalities and cultural differences. The course encourages students to reflect on how Christian values inform the pursuit of human dignity across diverse global societies.

Credits 4

ECHB3450 : Abnormal Psych (typical/atypical)

This course provides an in-depth exploration of abnormal psychology, focusing on the diagnosis of mental health conditions and understanding associated behaviors. Students will analyze various disorders through case studies, applying diagnostic criteria from the DSM-5-TR while also examining the ethical considerations involved in treatment. The curriculum is designed to equip working professionals with practical skills and knowledge directly applicable to roles involving mental health care and supporting individuals with atypical behavior.

Credits 4

ECSW1010 : Intro to Social Work and Social Justice

This course introduces students to the profession of social work, exploring its historical roots, core values, and ethical principles. It examines social justice concepts and their application to diverse populations, addressing issues of inequality, oppression, and human rights. Through a focus on advocacy and empowerment, students will learn how social workers contribute to creating a more equitable society.

Credits 4

ECSW1320 : Diversity and Injustice

This course provides an introduction to the rights and freedoms of diverse groups and individuals in the United States. The course will explore various social identities—such as race, ethnicity, gender, class, and sexual orientation—shape individual experiences and societal structures. It explores historical and contemporary issues related to prejudice, discrimination, and privilege, fostering an understanding of their impact on institutions and interpersonal relationships. Students will develop a critical perspective on diversity, learning to appreciate different viewpoints and engage in constructive dialogue to promote a more inclusive and equitable society.

Credits 4

ECSW2330 : Theories of Human Behavior

This course introduces students to foundational theories of human behavior and development from a social work perspective. It examines major theoretical frameworks, including systems theory, ecological theory, and psychodynamic approaches, to understand how individuals interact within their social environments. The course emphasizes the application of these theories to diverse populations, focusing on the complex interplay of biological, psychological, social, and cultural factors that influence human functioning across the lifespan.

Credits 4

ECSW3320 : Child Welfare and Behavioral Intervention

This course provides an introduction to the child welfare system and evidence-based behavioral interventions for children and families. It examines the causes and consequences of child maltreatment, exploring the roles and responsibilities of social workers in child protective services, foster care, and adoption. Students will learn how to apply intervention strategies to promote the safety, permanency, and well-being of children while supporting their families.

Credits 4

ECSW3410 : Working with Individuals and Families

This course introduces students to the foundational principles and skills necessary for effective social work practice with individuals and families. It covers essential helping processes, including engagement, assessment, intervention, and termination, while emphasizing the importance of building therapeutic relationships. Students will learn about various evidence-based practices and ethical considerations for empowering clients to address challenges and achieve their goals within their social environments. This course includes shadowing a professional social worker.

Credits 4

ECSW3420 : Working with Groups and Communities

This project-based course introduces students to the principles and methods of social work practice with groups and communities. It integrates the theoretical foundations of group dynamics and community organization with practical tasks to prepare students to facilitate effective interventions that address shared needs and goals. Through a focus on empowerment, social action, and collaborative problem-solving, students will learn to build capacity and promote positive change at the mezzo and macro levels of practice. This course includes shadowing a professional social worker.

Credits 4

ECSW3560 : Research Informed Social Work

This course introduces students to the principles of research-informed social work practice, emphasizing the critical importance of using evidence to guide professional decisions. It explores how to locate, evaluate, and apply evidence-based interventions and culturally competent practices to meet the needs of diverse client populations. Students will also learn to utilize research to inform evidence-based advocacy at the state level, influencing policies that promote social justice and human rights.

Credits 4

ECSW3750 : Social Welfare Policies

This course provides an introduction to the historical and current social welfare policies in the United States from a social work perspective. It examines the evolution of policy development and its impact on diverse populations, exploring the political, economic, and social forces that have shaped the American welfare state. Students will learn to critically analyze how social policies address issues of poverty, inequality, and social justice, and how they influence the delivery of social services.

Credits 4

ECSW4410 : Social Work Internship I

This course integrates academic learning with practical experience through a 200-hour field internship in a social service agency. Students will apply social work knowledge, values, and skills to real-world situations while completing assignments related to their client cases, assessments, and interventions. This hands-on experience, guided by a field instructor, allows students to develop professional competence and ethical practice in a supervised setting.

Credits 4

ECSW4420 : Social Work Internship II

Continuing in the same agency placement as the Internship 1 course, this course includes an additional 200-hours of internship. Students will complete tasks at their internship related to all 9 social work core competencies, including micro, mezzo, and macro social work intervention.

Credits 4

Sport Management and Coaching

ECSM1220 : Applied Sport Management

This course in Applied Sport Management explores the practical application of management principles within the sports industry, focusing on areas such as event planning, marketing, operations, and leadership. Students will engage with real-world case studies and hands-on projects to develop the skills needed for success in professional and amateur sports settings.

Credits 4

ECSM1520 : Ethical Decision Making in Sport

This course in Ethical Decision Making in Sport examines the moral and ethical challenges faced by athletes, coaches, administrators, and organizations across all levels of sport. Through case studies and critical analysis, students will explore frameworks for ethical reasoning and apply them to real-world dilemmas in the sport industry.

Credits 4

ECSM2440 : Managing Risk

This course in Managing Risk in Sport Management examines the identification, assessment, and mitigation of risks within the sport industry, including safety protocols, legal liabilities, and crisis management. Students will develop practical strategies for minimizing risks and protecting the well-being of athletes, staff, and organizations.

Credits 4

ECSM2500 : Sport Communication

This course in Sport Communication explores the role of media and communication strategies within the sport industry, focusing on public relations, journalism, digital platforms, and crisis management. Students will develop the skills to effectively craft messages, engage with audiences, and navigate the evolving landscape of sport communication.

Credits 4

ECSM3200 : Sport Administration

This course in Sport Administration provides an overview of the management principles and administrative functions that drive sport organizations, including staffing, budgeting, policy development, and strategic planning. Students will explore the structures and operations of professional, collegiate, and recreational sport organizations while developing skills to lead and manage effectively in diverse settings.

Credits 4

ECSM3210 : Sport Facility & Event Management

This course in Sport Facility and Event Management focuses on the operational, logistical, and strategic aspects of managing sports venues and events. Students will gain hands-on experience in planning, organizing, and executing large-scale sports events while exploring best practices for facility operations, crowd management, and event marketing.

Credits 4

ECSM3340 : Techniques of Successful Coaching

This course examines the principles and practices of effective coaching. Students explore athlete-centered coaching, motivation, communication, leadership, teaching sport skills, and ethical decision-making across diverse sport settings. Emphasis is placed on applying evidence-based coaching techniques to enhance athlete development, performance, and well-being. Through readings, discussion, and practical application, students develop a personal coaching philosophy aligned with best practices in contemporary sport coaching.

Credits 4

ECSM3420 : Sport Finance

This course in Sport Finance examines the financial principles and practices specific to the sport industry, including budgeting, revenue generation, financial reporting, and investment strategies. Students will learn to analyze financial statements, assess funding sources, and apply financial decision-making in the context of sport organizations and events.

Credits 4

ECSM3560 : The Psychology of Coaching

This course explores the psychological foundations of effective coaching, focusing on both the mental processes of athletes and the psychological demands placed on coaches. Students examine motivation, confidence, communication, emotional regulation, team dynamics, stress, burnout, and identity in sport across youth, collegiate, and high-performance settings. The course also addresses the psychology of being a coach, including leadership style, self-awareness, ethical decision-making, and well-being. Emphasis is placed on applying sport psychology principles to enhance performance, relationships, and sustainable coaching practice.

Credits 4

ECSM4430 : Sport Law

This course in Sport Law provides an overview of the legal principles that govern the sport industry, including contracts, torts, intellectual property, and regulatory frameworks. Students will explore the legal issues surrounding athletes, teams, organizations, and events, and learn how to navigate legal challenges in the sport context.

Credits 4

ECSM4550 : Organizational Behavior in Sport Management

This course in Organizational Behavior in Sport Management explores the dynamics of individual and group behavior within sport organizations, focusing on leadership, motivation, team dynamics, and organizational culture. Students will examine how these factors influence decision-making, performance, and overall effectiveness in sport management settings.

Faculty

M. Brooke Adamson (2002-), Assistant Professor of Communication
B.A., Northwest Nazarene University; M.A., Boise State University; Ed.S., Northwest Nazarene University
Jay Akkerman (2004-), Assistant to the President for Congregational Engagement
B.A., Northwest Nazarene University; M.Div., Nazarene Theological Seminary; D.Min., Asbury Theological Seminary
Donna M. Allen (2004-), Professor of Communication
B.A., M.A., Eastern Nazarene College; M.A., Ph.D., University of Connecticut
Tomás Álvarez (2022-), Associate Professor of Theology
B.A., Spanish American Nazarene Bible College; B.A., Inst. Voc. Enrique Díaz de León, Guadalajara, Mexico; M.Div., Nazarene Theological Seminary; D.Min., Fuller Theological Seminary
Jacob Amundson (2021-), Associate Professor of Art
B.A., Greenville College; M.F.A., Azusa Pacific University
Lisa Amundson (2020-), Professor of Graduate Education
B.S., Greenville University; M.Ed., Ph.D., University of Missouri
Tim Anstine (1999-), Associate Professor of Chemistry
B.A., Point Loma Nazarene University; Ph.D., University of Nevada
Joseph Bankard (2007-), Professor of Philosophy
B.A., Point Loma Nazarene University; M.A., San Diego State University; Ph.D., Claremont Graduate University
Julie Barrass (2026-), Associate Professor of Psychology
B.A., M.S., Northwest Nazarene University; Ph.D., Grand Canyon University
Mike Bartlett (2013-), Associate Professor of Graphic Design
B.A., Northwest Nazarene University, M.F.A., Academy of Art University
Catherine Becker (2016-), Associate Professor of English
B.A., Northwest Nazarene University; M.A., Mercy College; Ph.D., Idaho State University
Stacey Berggren (2019-), Vice President for Enrollment Management
B.S., Troy University; M.Ed., Northwest Nazarene University; Ed.D., Trevecca Nazarene University
Rodney G. Birch (2017-), Librarian

B.A., Vennard College; M.I.S.L.T., University of Missouri-Columbia; Ed.D., Olivet Nazarene University
Nikki Bodenstab-Lee (2022-), Assistant Professor of Social Work
B.A., Northwest Nazarene University; M.S.W., Boise State University; Ph.D., Northwest Nazarene University
JJ Bowerman (2021-2024; 2025-), Assistant Professor of Mathematics
B.A., Northwest Nazarene University, M.S., Boise State University
Rick Boyes (2014-), Assistant Professor of Counselor Education
B.S., Boise State University; M.A., Ph.D., Idaho State University
Kyle Brasil (2024-), Assistant Professor of Psychology
B.S., B.A. Boise State University; M.S., Northwest Nazarene University
Duke Bulanon (2011-), Professor of Engineering
B.S., University of San Carlos, Philippines; M.S., Ph.D., IWATE University, Japan
Jennifer Chase (1996-), Professor of Biology
B.A., Point Loma Nazarene University; M.S., University of Manchester; Ph.D., Yale University
Justin Clardie (2014-), Professor of International Relations
B.A., Olivet Nazarene University; M.A., Indiana State University; Ph.D., University of Wisconsin-Milwaukee
Ana Colunga-Marin (2026-), Associate Professor of Psychology
B.A., Northwest Nazarene University; M.A., George Fox University; Psy.D., George Fox University
Jason Colwell (2013-), Associate Professor of Mathematics
B.S., M.S., University of Alberta, Canada; Ph.D., California Institute of Technology
Jennifer Cornell (2022-), Associate Professor of Education
B.A., M.Ed., Ed.S., Ph.D., Northwest Nazarene University
John Cossel, Jr. (1999-), Professor of Biology
B.A., Northwest Nazarene University; M.S., Oregon State University; D.A., Idaho State University
Dave Covington (2018-), Associate Professor of Leadership & Innovation Studies
B.A., Prairie College, Canada; M.B.A., Corban University; Ed.D., Trevecca Nazarene University
Peter Crabb (2000-), Professor of Economics
B.A., Michigan State University; M.B.A., University of Colorado at Boulder; M.S., Ph.D., University of Oregon
Laura Crawford (2022-), Assistant Professor
B.A., M.Ed., Northwest Nazarene University
Heidi Curtis (2013-), Professor of Graduate Education
B.A., M.Ed., Ed.S., Ph.D., Northwest Nazarene University
Ron Curtis (2024-), Associate Professor of Music
B.A., Northwest Nazarene University; M.MEd., Boise State University
John Dally (2021-), Professor of Music Education
B.A., Point Loma Nazarene University; M.M., American Band College-Sam Houston State University of Huntsville; D.M.A., Boston University
Caleb Daniels (2026-), Assistant Professor of Biblical Studies
B.A., Point Loma Nazarene University; M.Div., Northwest Nazarene University
Jeff Edmiston (2019-), Assistant Professor of Counselor Education
B.A., M.S., Northwest Nazarene University, Ph.D., Walden University
Steven D. Emerson (2017-), Vice President for Finance & Operations
B.A., M.B.A., Northwest Nazarene University
Michael Falgout (2026-), Associate Professor of Biblical Studies

B.A., Point Loma Nazarene University; M.Div., Nazarene Theological Seminary; M.Ed., Rockhurst University; Ph.D., Fuller Theological Seminary
Lori Fairgrieve (2007-), Professor of Counselor Education
B.A., Biola University; M.A., Azusa Pacific University; Ph.D., University of Southern California
Ben Gall (2011, 2018-), Professor of Sport and Exercise Science
B.S., M.T.E., Eastern Oregon University; Ed.D., Capella University
Julia Ganske (2023-), Assistant Professor of Music
B.A., Northwest Nazarene University, M.M., Boise State University; D.A., University of Northern Colorado
Robin Gilbert (2022-), Interim Dean, College of Education; Associate Professor of Education
B.A., M.Ed., Ed.S.; Northwest Nazarene University
Joseph Gorman (2010-), Professor of Practical Theology
B.A., Northwest Nazarene University; M.Div., Nazarene Theological Seminary; D.Min., Fuller Theological Seminary
Amy Griffin (2013-), Associate Professor of Art
B.A., Hope College; M.F.A., University of Illinois
Joshua Griffin (2013-), Associate Professor of Engineering
B.S., LeTourneau University; M.S., Ph.D., Georgia Institute of Technology
Darrin L. Grinder (1999-), Professor of English
B.A., University of Michigan-Flint; M.A., D.A., Idaho State University
Timothy Hahn (2022-), Assistant Professor of Theology
B.S., Southern Nazarene University; M.A., Nazarene Theological Seminary; M.Div., Nazarene Theological Seminary
Rebekah Hall (2025-), Associate Professor of Psychology
B.A., Northwest Nazarene University; Psy.D., Fuller Theological Seminary
Dale Hamilton (2013-), Professor of Computer Science
B.S., Seattle Pacific University; M.S., University of Montana; Ph.D., University of Idaho
Jerry Harris (2003-), Professor of Chemistry
B.A., B.S., Northwest Nazarene University; Ph.D., Texas A&M University
Bethany Hazel (2018-), Assistant Professor of Nursing
B.S.N., Wichita State University; M.S.N., Western Governors University
Julie Helgeson (2023-), Assistant Professor of Nursing
B.S.N., M.S.N., Northwest Nazarene University
Alaina Henry (2023-), Assistant Professor of Psychology
B.S., Multnomah University; M.A., George Fox University
Jennifer Hill (2013-), Professor of Education
B.A., M.S., Ed.S., Ed.D., Northwest Nazarene University
David Hille (2018-), Associate Professor of Biology
B.A., Northwest Nazarene University; M.S., Ph.D., University of Oklahoma
Ayokunle Hodonu (2016-), Associate Professor of Biology
B.S., M.A., Boise State University; D.A., Idaho State University
Rebekkah Hulen (2020-), Associate Professor of Nursing
B.A., Northwest Nazarene University; B.S.N., Boise State University; M.S.N., Regis University; Ph.D., Idaho State University; CNE
Joshua D. Jensen (2016-), Dean, College of Business; Professor of Business
B.S., University of La Verne; M.P.A., California State University, Northridge; M.B.A., Northwest Nazarene University; Ed.D., Nova Southeastern University
Michael Kipp (2004-), Professor of Practical Theology

B.S., California Polytechnic University; M.R.E., Nazarene Theological Seminary; D.Min., Fuller Theological Seminary
Alison Larson (2025-), Associate Professor of Criminal Justice
B.A., Northwest Nazarene University, J.D., University of Utah, S.J. Quinney College of Law
Dan Lawrence (2001-), Professor of Physics
B.S., Northwest Nazarene University; M.S., Virginia Commonwealth University; Ph.D., Purdue University
Diane K. Leclerc (1998-), Professor of Theology
B.A., Eastern Nazarene College; M.Div., Nazarene Theological Seminary; M.PHL., Ph.D., Drew University
Maja Ledgerwood (2021-), Assistant Professor of Social Work
B.A., M.S.W., Northwest Nazarene University; D.S.W., Capella University
Enoch Levandovsky (2026-), Assistant Professor of Computer Science
B.S., Northwest Nazarene University; M.S., Ph.D., Boise State University
Kelly Lindley (2023-), Vice President for External Relations/Advancement
B.A., Washington State University; M.A., Gonzaga University
Jeff Lineman (2000-), Professor of Business
B.S., Eastern Nazarene College; M.Div., Nazarene Theological Seminary; M.S., Baker University; Ph.D., Capella University
Stephen Lowe (2026-), Vice President for Academic Affairs
B.A., Olivet Nazarene University; M.A., Ph.D., Ohio University
Elizabeth List (2013-), Professor of Psychology
